resources designed to train medical assisting students in the clinical skills they'll need in today's rapidly changing health care environment. The Fifth Edition includes a full chapter on Emergency Preparedness, new in-book role playing activities, and an expanded array of online resources. We're pleased to continue to offer case studies, skills videos, and animations.

Optometric Practice Management Irving Bennett, OD, FAAO, 2002-09-27 While the business aspect of an optometrist's practice may come second to patient care, optometrists today are faced with greater competition for new patients and income. This updated guide shows readers how to work smarter through effective practice management to offset reduced earnings due to fixed reimbursements of managed care and competition from 1,800 contact lens companies and chains selling discount frames and lenses. Drawing on over 40 years of experience, the author presents practical strategies for addressing the problems of day-to-day practice and explains how to develop business and marketing plans without detracting from the optometrist's professional image. This edition features an increased focus on how to work with partners, including how to exit gracefully from a partnership, how to start a part-time practice, and how to be creative in practice. Authored by an expert in the field of practice management and optometry, for the most effective realistic advice and guidance. Concise, readable text synthesizes the author's 40-plus years of expertise in optometric practice. Necessary business and marketing skills are presented in a way that is compatible with the optometrist's professional image. Tips and tools are provided on how to approach the client as both a consumer and a patient. Helpful information for students or optometrists who own or are planning to own their own practice. Completely rewritten and updated. 4 new chapters cover topics such as practice locations, part-time practicing, managed care, management of unmet vision needs, and the office of the future. An increased focus on how to work with partners, including how to exit gracefully from a partnership. A discussion of how to start a part-time practice addresses real-world considerations and practical strategies. Hot new topics such as co-management of patients, gender and ethnicity, senior patient concerns, and discounting. *Saunders Medical Office Management* Alice Anne Andress, 2013-08-09 With proven techniques and professional insight, this one-of-a-kind resource is your complete guide to ensuring both effective patient care and sound business practices in the medical facility. From the front office to financial management, each detailed chapter addresses the interpersonal and administrative concerns you'll face in the management of a medical office, accompanied by realistic forms, letters, and procedural policies that help you prepare for on-the-job success. This new edition keeps you up-to-date on emerging developments in billing and coding, documentation, ethical and legal issues, and technological advances to help you keep your medical office at the forefront of the competitive health care field. Manager's Alert boxes detail measures to help you avoid complications and prevent potential emergencies. From the Expert's Notebook, boxes help you build daily decision-making skills with helpful tips, suggestions, and insights drawn from real-world practice. Exercises at the end of each chapter reinforce concepts and help you assess your understanding. Detailed appendices provide fast, easy access to commonly used abbreviations and symbols, Medicare information, helpful websites, and answers to the end

of chapter exercises as well as a sample procedure and policy manual to guide you in developing your own practices Written Communication chapter helps you ensure proper communication and documentation in the health care facility Updated content in the Medical Record chapter familiarizes you with the latest information on the electronic medical record The updated Billing Coding and Collections chapter keeps you up to date with the latest coding and insurance forms CMS 1500 Coverage of current legal and ethical issues and emerging technology in the medical office keep you apprised of recent developments
