Shakespeare After Mass Media R. Burt,2016-04-30 Shakespeare in mass media particularly film video and television is arguably the hottest fastest growing research agenda in Shakespeare studies Shakespeare after Mass Media provides students and scholars with the most comprehensive resource available on the market for studying the pop cultural afterlife of The Bard From marketing to electronic Shakespeare comics to romance novels Star Trek to Branagh radio and popular music to Bartlett s Quotations the volume explores the contemporary cultural significance of Shakespeare in an unprecedentedly broad array of mass media contexts With theoretical sophistication and accessible writing it will be the ideal text for courses on Shakespeare and mass media The Economics of Books and Reading Samuel Cameron,2022-11-14 This book gives an overview of the key issues related to books and reading within the field of cultural economics and identifies additional lacunae in this area of research The field of cultural economics is surprisingly short on research on the book market and on the activity of reading compared with other more recently invented media such as films and musical recordings In addition books and reading are strongly impacted by the disruptive innovations of digital technology and the use of online distribution platforms that fuel much of the research on the more recently invented cultural media This book shows that the area of books and reading has had contributions in historically established areas of cultural economics and those currently exciting attention chiefly with respect to digital disruption Finally it explains how books and reading are a fully developed rational addition model rather than something just based on the addition of past behaviour Previously published in Journal of Cultural Economics Volume 43 issue 4 December 2019 *Archie's Rivals in Teen Comics, 1940s-1970s* Michelle Nolan,2020-06-09 This is the first book to comprehensively examine the multitude of non Archie teen humor comic books including girls and boys such as Patsy Walker Hedy Wolfe Buzz Baxter and Wendy Parker from Marvel Judy Foster Buzzy Binky and Scribbly from DC Candy from Quality Comics and Hap Hazard from Ace Comics It covers often for the first time the history of the characters who drew them why or why not they succeeded as rivals for the Archie Series highlights of both unusual and typical stories and much more The author provides major plotlines and a history of the development of each series Much has

been written about the Archie characters but until now very little has been told about most of their many comic book competitors     *Toys & Prices 2006* Karen O'Brien,2005     Amazon Top Seller Secrets Brad SCHEPP,Debra SCHEPP,2009-03-25 There is a new phenomenon hitting the world of the Internet marketplace PowerSellers who have made a fortune on eBay are moving their merchandise over to Amazon After all the benefits of selling on Amazon are legion sellers have found that they can charge more for their merchandise avoid upfront fees and deal with less demanding customers The opportunities for selling are endless Amazon now sells products in more than 40 categories and is the web s number one retailer with more than 81 million customers As the authors of the popular book eBay PowerSeller Secrets Debra and Brad Schepp are experts at making big money selling products on the web Now in Amazon Top Seller Secrets they show readers why Amazon is the marketplace that will bring them more cash and more customers Sellers will discover everything they need to navigate the Amazon marketplace set the right price for merchandise drive more traffic to their product pages achieve consistently high feedback ratings become an Amazon Pro Merchant open more than one Amazon WebStore source the best products and more With this priceless advice readers can increase their profits and build their business without constraints and without all the hassles
