The Complete Homeopathic Resource for Common Illnesses Dennis Chernin, 2006 This useful guide is a single indispensable resource for anyone interested in using homeopathic medicines. Noted author Dennis Chernin introduces readers to the basics of homeopathic theory, laws, history, and practical applications, as well as to clear explanations of the fundamental homeopathic vocabulary. He provides a brief synopsis of homeopathy's present status and compares it with conventional medicine before proceeding to a step-by-step guide to creating a home remedy kit. The bulk of the book focuses on more than 150 common disorders, conditions, and illnesses, each treated in a separate section, alphabetically organized. Each section includes basic background information as well as accessible guidance on how to consider the symptoms and how to treat and heal them. For each condition, all the possible symptoms are matched with the remedy appropriate to them. The bundled CD-ROM integrates these resources with a simple, graphics-based user interface incorporating the latest research. Please note that the CD is only intended for use on Windows 2000, ME, and XP.

Clinician's Complete Reference to Complementary/alternative Medicine Don Novey, 2000 The increasing popularity of alternative medical practices is changing the way that patients and doctors approach treatment options, making it vital that every clinician have access to reliable information on complementary and alternative therapies. *THE CLINICIAN'S COMPLETE REFERENCE TO COMPLEMENTARY AND ALTERNATIVE MEDICINE* presents clear and factual discussions of these therapies with the traditional health care practitioner in mind.

*The Complete Handbook of Natural Healing* Marcia Starck, 1991

*Homeopathy* Jay W. Shelton, 2010-10-29 The popularity of homeopathy has been increasing dramatically, both in America and worldwide. Annual world sales of homeopathic remedies are approaching two billion dollars. In this thorough examination of homeopathy, physicist Jay W. Shelton analyzes the history, the remedies, the logical inconsistencies, and the effectiveness of this popular alternative medicine. Invented by German physician Samuel Hahnemann in 1755-1843, homeopathy is based on two key principles: 1. the law of similars: symptoms induced in healthy volunteers after ingestion of a substance are the same symptoms in sick people that this substance will cure; and 2. the concept of potentization: the most diluted remedies have the greatest curative power. Shelton clearly shows that although these principles may have had the ring of science in the early 19th century, they are not well supported by today's science. And yet, most patients who visit homeopaths are better afterwards. Homeopaths assume the remedies are the cause. Shelton finds explanations based on known science to be better supported by the evidence: Unassisted natural healing, changes in lifestyle, urged by the homeopath, the placebo effect, and cessation of harmful treatments are more probable causes of improved health. This being the case, he pursues the question: why do so many people continue to believe that the remedies themselves are responsible? Among the contributing factors, Shelton notes the plausible-sounding explanations of homeopathic theory, a fundamental misunderstanding among homeopaths of science and its methods, and ultimately the poor quality of education in critical thinking and science. This

reasoned balanced and in depth assessment will interest both homeopaths and conventional medical practitioners as well as consumers curious about a well known and much publicized alternative medicine

*Mobile Devices and Smart Gadgets in Medical Sciences* Umair, Sajid, 2020-02-21 Each day new applications and methods are developed for utilizing technology in the field of medical sciences both as diagnostic tools and as methods for patients to access their medical information through their personal gadgets However the maximum potential for the application of new technologies within the medical field has not yet been realized Mobile Devices and Smart Gadgets in Medical Sciences is a pivotal reference source that explores different mobile applications tools software and smart gadgets and their applications within the field of healthcare Covering a wide range of topics such as artificial intelligence telemedicine and oncology this book is ideally designed for medical practitioners mobile application developers technology developers software experts computer engineers programmers ICT innovators policymakers researchers academicians and students

**Evidence-Based Medicine - A Paradigm Ready To Be Challenged?** Marie-Caroline Schulte, 2020-07-02 This open access book aims to clarify the term evidence based medicine EBM from a philosophy of science perspective The author Marie Caroline Schulte discusses the importance of evidence in medical research and practice with a focus on the ethical and methodological problems of EBM The claims that EBM can herald a new theory of epistemology and a Kuhnian paradigm will be refuted The solution is to describe EBM as a necessary development in medicine to deal with the increasing amount of evidence and medical data without losing the single patient out of sight

The Hanson Guide to the Internet & Internet Databases, 2000

**The Journey of Remedies** Pasquale De Marco, 2025-04-30 Homeopathy is a holistic system of medicine that has been used for over 200 years to treat a wide range of acute and chronic conditions It is based on the principle of similars which states that a substance that causes a certain set of symptoms in a healthy person can cure those same symptoms in a sick person The Journey of Remedies is a comprehensive guide to homeopathic medicine that provides everything you need to know to use homeopathy to improve your health and well being In this book you will learn The history of homeopathy The principles of homeopathic medicine How to choose the right remedy for your specific condition How to use homeopathy to treat a wide range of acute and chronic conditions You will also find a comprehensive materia medica of common homeopathic remedies as well as instructions on how to use homeopathy to treat a wide range of acute and chronic conditions including Allergies Asthma Digestive disorders Headaches Anxiety Depression Skin conditions Musculoskeletal disorders Emotional and mental conditions The Journey of Remedies is the perfect book for anyone who is interested in learning more about homeopathy or who is looking for a natural way to improve their health and well being Bonus This book also includes a free chapter on the future of homeopathic medicine which discusses the latest research and trends in homeopathy Whether you are new to homeopathy or you are a seasoned practitioner The Journey of Remedies will provide you with the information and tools you need to use homeopathy to improve your health and well being If you like this book write a review on google books

*Natural Healing for Dogs and Cats* Diane

Stein,2011-03-23 This invaluable resource tells how to use nutrition minerals massage herbs homeopathy acupuncture acupressure flower essences and psychic healing for optimal health Meticulously researched Fully illustrated Comprehensive guide to holistic healing methods Extensive resource directory Effective ways to reduce veterinary costs **Gale Guide to Internet Databases** Gale Group,1999-11 This directory tells how to access and retrieve more than 5 000 Interact databases approximately 1 000 new databases have been added for this 5th edition Five comprehensive indexes master subject host provider white pages and alternate format provide quick access to the desired database *Wildlife Rehabilitation* National Wildlife Rehabilitators' Association (U.S.). Symposium,2000 Homeopathy for Today David Card,2023-06-15 In his health practice and as owner of two thriving health and nutrition stores David Card has consulted with thousands of clients for over 40 years using homeopathic remedies People who see him want to take care of their own and their family s health in the most self sufficient way possible Since most folks don t have access to a trained homeopathic practitioner at a moment s notice Dave recognized the need for an easy access book free of jargon that could be their go to for dozens of conditions Homeopathy Today is current interesting to read and full of common sense lists to assist any newbie in this field Yet it will serve as a standard for seasoned practitioners who will recognize Dave s grounded understanding coupled with his intuitive sensitivity gained from decades of experience Homeopathy is a traditional system of medicine that treats both physical and emotion symptoms of disease or imbalance with small even minute doses of a natural substance primarily from plants like lobelia for instance or from minerals like zinc etc The system has been used for over 200 years by hundreds of millions of people worldwide Homeopathics are natural low cost and non toxic remedies They can be used by adults and children regardless of age gender special conditions like pregnancy or the use of other medications From common colds and flu to more challenging situations like anxiety and migraine headaches homeopathic remedies have a long history of efficacy In more than 2 000 double blind scientific studies around the world homeopathic medicines have been proven to work The World Health Organization cites that homeopathic medicine should be used alongside conventional medicine to provide adequate global healthcare Medical professionals in many countries recommend homeopathic medicine first and most pharmacists in Europe dispense herbs and homeopathics as well as conventional medications Using homeopathy is as simple as matching the symptoms of the person with the right homeopathic remedy And this book is designed to make that process easy clear and immediately applicable More than symptom relief however homeopathic medicine also deals with underlying health issues Often when Western medicine has no answers many people have turned to homeopathy and found significant help We don t always know the mechanisms at work here says the author but we certainly see the results *Smart Medicine for Healthier Living* Janet Zand,James B. LaValle,1999-05-01 Written by a medical doctor a naturopath and a registered pharmacist Smart Medicine for Healthier Living is a complete A to Z guide to the most common disorders and their treatments using both alternative care and conventional medicine Comprehensive and easy to follow Smart Medicine for
