Priesthood and Temple in John's Apocalypse Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place, scholarship has overlooked the importance of his spatial transformation of that language. Tse thus uses theories relating to Relevance Resistance Theory, Critical Space Theory, and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to re-present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live. Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation. John's description of the visionary world creates the metaphors: the earth is a Sanctuary and the Saints are its priests. Tse argues that under this view, life on earth must be evaluated according to the concerns of the Sanctuary, which by definition requires the removal of everything impure, and the Saints, namely all Christians in both the historic and visionary worlds, must take priestly responsibility for the earth. John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan, Babylon, and all her impurities. Tse concludes that overall, John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality.

TheoMedia Andrew Byers, 2014-08-28 The church can be uncertain of itself in our digital age. Some Christians denounce the twenty-first century's media culture, while others embrace the latest gadgets and apps as soon as they appear. Many of us are stumbling along amidst the tweets, status updates, podcasts, and blog posts, wondering if we have ventured into a realm beyond the scope of biblical wisdom. Though there is such a thing as new media, Andrew Byers reminds us that the actual concept of media is ancient, theological, and even biblical. In fact, there is such a thing as the media of God. TheoMedia are means by which God communicates and reveals himself: creation, divine speech, inspired writings, the visual symbol of the cross, and more. Christians are actually called to media saturation. But the media that are to most prominently saturate our lives are the media of God. If God creates and uses media, then Scripture provides a theological logic by which we can create and use media in the digital age. This book is not an unqualified endorsement of the latest media products or a tirade against media technology. Instead, Byers calls us to rethink our understanding of media in terms of the media of God in the biblical story of redemption.

The Ministry of Women in the New Testament Dorothy A. Lee, 2021-02-16 Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women's ministry is confirmed by the biblical witness. Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus, with a particular focus on passages that have been used in the past to limit women's ministry. She argues that women in the New Testament were not only valued as disciples but also given leadership roles, which has implications for the contemporary church.

Resurrection and Spirit Brian W. Lidbeck, 2020-11-09 The preachers in Acts are Spirit-filled people who have one message to proclaim: the resurrection of the Lord Jesus. The themes of

resurrection and Spirit converge at Pentecost when Peter boldly announces that the risen Christ has poured out the Holy Spirit. A new stage in redemptive history has arrived but is it entirely new? As it turns out, the concept of resurrection is not new at all; it goes back much farther than many people realize and has its roots in the Pentateuch. At the same time, the Holy Spirit has advanced God's agenda from the very beginning. When these two eschatological themes meet on the lips of Peter at Pentecost, thousands suddenly realize who Jesus is. They acknowledge Luke's central teaching: Jesus is Lord and Christ. Resurrection and Spirit traces these two Lukan themes from the Pentateuch to Luke Acts and invites the reader to discover a new depth of appreciation for Jesus the Lord and Christ.

John Marianne Meye Thompson, 2015-11-06. Almost from the earliest days of the church, John's distinctive presentation of Jesus has provoked discussion about its place among the other Gospels. One cannot help but see the differences from the Synoptics and wonder about the origins and character of John. In this new volume in the New Testament Library series, Marianne Meye Thompson explores the ministry and significance of Jesus of Nazareth as presented in the Gospel of John, paying special attention to the social, cultural, and historical contexts that produced it. John's Gospel, Thompson posits, is the product of a social, cultural world whose language, commitments, and contours must be investigated in order to read John's narrative well. In doing so, Thompson studies the narrative structure, central themes, and theological and rhetorical arguments found in the Fourth Gospel. Thompson's expert commentary unpacks and illuminates John's unique witness to Jesus: who he was, what he did, and what that means. The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament, providing fresh translations based on the best available ancient manuscripts, critical portrayals of the historical world in which the books were created, careful attention to their literary design, and a theologically perceptive exposition of the biblical text. The contributors are scholars of international standing. The editorial board consists of C. Clifton Black (Princeton Theological Seminary), M. Eugene Boring (Brite Divinity School), and John T. Carroll (Union Presbyterian Seminary).

John 1-6 Martinus C. de Boer, 2024-12-12. In this ICC, Martin de Boer provides an introduction and commentary on chapters 1-6 of John's Gospel. de Boer sets out to interpret the Gospel in the historical context in which it was written and first read and to explain it both historically and theologically. Taking his primary bearings from the seminal work of Raymond E. Brown and J. L. Martyn, de Boer applies and advances their approach through each section of his commentary whilst also engaging with the latest scholarship, alternative viewpoints, and critiques of the Brown-Martyn approach. As such, de Boer takes very seriously the view that John's Gospel was written for a particular community and that the composition of the text, as we know it, took place over an extended period of time. Examination of the historical realities of this community is a hallmark of this commentary, including the notion that, as members of the community, women may have played a role in the Gospel's composition.

The Quest for the Fictional Jesus Margaret E. Ramey, 2013-07-10. For almost two millennia, Jesus' story has been retold in various forms and fashions, but in the last century, a new way of reimagining the man from Galilee and rewriting the canonical

Gospels has sprung up in the form of Jesus novels While the novels themselves are as varied as their authors this work aims at introducing readers to some common literary strategies and theological agendas found in this rewriting phenomenon by surveying a few prominent examples It also explores the question of what happens when we examine the intertextual play between these Gospel rewrites and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to reexamine the canonical portraits of Jesus anew Romans Michael J. Gorman,2022-03-03 Above all Romans is a letter about Spirit enabled participation and transformation in Christ and his story and thus in the mission of God in the world This commentary engages the letter to the Romans as Christian scripture and highlights the Pauline themes for which Michael Gorman is best known participation and transformation cruciformity and new life peace and justice community and mission With extensive introductions both to the apostle Paul and to the letter itself Gorman offers background information on Paul s first century context before proceeding into the rich theological landscape of the biblical text In line with Paul s focus on Christian living Gorman interprets Romans at a consistently practical level highlighting the letter s significance for Christian theology daily life and pastoral ministry Questions for reflection and sidebars on important concepts make this especially useful for those preparing to preach or teach from Romans the epistle of life as Gorman calls it for its extraordinary promise that through faith we might walk in newness of life with Christ **Prayer in John's Farewell Discourse** Scott Adams,2020-03-12 It was reported that a doctoral student at Princeton once asked Albert Einstein What is there left in the world for original dissertation research He replied by saying Find out about prayer Somebody must find out about prayer Since Einstein s day a great deal has been written on the topic of prayer in general However relatively little has been written about prayer in John s Farewell Discourse in particular Therefore this analysis not only seeks to understand the relationship between Johannine and Jewish Greco Roman and Christian prayer traditions but also seeks to discern the unique function and application of prayer as it is prescribed in the Farewell Discourse

Rediscovering John Lesław Daniel Chrupcała, 2014-05-29T00:00:00+02:00 The idea of dedicating a Festschrift to honor Professor Friedrich Manns on the happy occasion of his 70th birthday came to mind in the autumn of 2011 and work on this project had been continuing ever since. Felicitously achieving this goal, the Faculty of Biblical Sciences and Archaeology, Studium Biblicum Franciscanum, and the Franciscan Custody of the Holy Land present this volume to Father Manns with gratitude for his profound scholarship and a lifetime service in the Holy Land. Perusing through Father Manns' writings, it is easy to see a prominent and distinctive place devoted to the Gospel of John. It seemed therefore suitable to focus on this subject in the Festschrift honoring him; the title *Rediscovering John* relates to Manns' significant contribution towards the better understanding of the Fourth Gospel. The volume comprises 21 studies authored by renowned scholars from various parts of the world from different institutions and denominations. While the first half of the studies examines general issues: history of interpretation, textual transmission, intertextuality, theological themes, archaeology, the second half treats literary narrative and exegetical approaches to particular texts of the Fourth Gospel. We augur that this rich collection will help to stimulate further discussion and reflection on the Gospel of John as well as constitute an incentive to an already distinguished scholar to continue writing challenging and thought-provoking essays and books from the Foreword by the Editor.

Shouting Above the Noisy Crowd: Biblical Wisdom and the Urgency of Preaching Charles L. Aaron Jr., Dr. Jaime Clark-Soules, 2021-11-09 What could we accomplish if only we acted more wisely? Could we mitigate the effects of diseases, help the vulnerable feel safer, make progress on justice, cooperate on common problems? We don't see enough wisdom, but neither did Woman Wisdom herself, who cried out in the streets wanting to gain attention. For every preacher who feels the urgency for more wisdom, this book has heard you. We know the urgency and we want to help.

Diverse and Creative Voices Dieumeme Noelliste, Sung Wook Chung, 2015-04-20 As the twentieth century passed its midpoint and was rushing toward its end, a growing number of Majority World theologians came to realize that they could in fact do theology in their own contexts for the benefit of their own people. Thus from the 1960s onward, theologians in the global South have embarked on a form of theological construction that has sometimes been described as contextual reflection or contextualized theology. This volume is motivated by the conviction that these efforts have resulted in theological work that is also beneficial for Christians in other parts of the world. The editors have invited Majority World theologians to share their reflections on several themes of Christian faith from their own sociohistorical perspectives but with an unswerving commitment to the authority of Scripture. It is hoped that these fresh

reflections will help Christians in the West engage and benefit from the perspectives of fellow believers in the global South

Alan Culpepper, 2022-03-01 In this new critical commentary for the New Testament Library series R Alan Culpepper sets the Gospel of Matthew in the context of the competing Jewish and early Christian voices of the first century bringing greater clarity to Matthew s own proclamation of the gospel and inviting readers to give up perhaps long held assumptions about the book In Culpepper s treatment Matthew emerges as a Gospel for a Jewish community distinguishing itself from the Pharisees on one side and other early Christian traditions and leaders especially Paul and his followers on the other side In this framework Matthew calls his community to faithful observance of the law a law observant mission to both Jews and Gentiles and repentance and the practice of forgiving in preparation for the coming judgment Accordingly Matthew takes readers back to an early period before the separation of Jewish Christians from the synagogues By taking seriously Matthew s Jewishness this volume also enables readers to hear the historical Jesus more clearly Excursuses on Matthew s social setting include Jesus as healer Sabbath observance Roman taxation the Pharisees the tithes ancient weddings and the Sanhedrin as well as many shorter units on Second Temple Judaism synagogues and first century Galilean society The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament providing fresh translations based on the best available ancient

Hearing Paul's Voice M. Eugene Boring, 2020-03-17 Exegetical soundings in Pauline texts illustrated by probes into 1 Thessalonians Romans Ephesians and the Pastorals Until we grasp the meaning of the text on its terms Scripture is little more than a sounding board echoing the religious interpretations readers all the while supposing this is what the Bible says Gene Boring offers those who preach and teach methods of understanding Scripture contextually in *Hearing Paul's Voice* He begins by placing the reader in the position of a first century believer demonstrating how such a reader would understand the church and the letter we now call 1 Thessalonians Our own culture combined with familiarity of the Bible and church life has conditioned us to suppose we already understand what the Thessalonian believer had to learn *Hearing the Bible through ears of a Thessalonians* opens up the possibility of hearing it afresh in our own time Boring also explores how Paul's message was interpreted and heard in later generations The theme throughout is coming within hearing distance of the text for those whose ears may have been numbed by cultural familiarity *Hearing Paul's Voice* combines careful and reverent critical historical study of the Bible assuming its results with theological perception and openness to hearing the Bible as Word of God Written with clarity and simplicity Boring illustrates the relevance of the biblical text and is ideal for preachers and teachers in the church who want to deepen their understanding of the canonical Pauline letters

Text and Story Peter R. Rodgers, 2011-09-22 Did the Jesus of St Luke's Gospel come to heal the brokenhearted 4 18 Did Mark's Jesus call his disciples to prayer and fasting 9 29 and did he cry from the cross My God my God why have you persecuted me 15 34 Did St Paul write to the Romans that God works all things together for good for those who love him 8 28 Did the author of Hebrews declare that Jesus died apart from God 2 9 These statements are found in the manuscript tradition of the New Testament but are not included in our standard printed editions or translations Peter Rodgers argues that these and other textual variations should be reconsidered After reviewing ten important verses using the traditional areas of text critical inquiry manuscript evidence internal criteria such as style and transcriptional probabilities Rodgers turns our attention to important but neglected narrative features indicated by quotations allusions and echoes of the Old Testament These references to the story told in the Scriptures of Israel shed new light on the passages considered offering fresh material and greater perspective for making judgments about the original text

The Bible and the American Future Robert Jewett, Wayne Alloway, John G. Lacey, 2010-01-01 What does the Bible say about the American future Does it contain an apocalyptic vision in which conflicts are to be resolved by war Or does it contain a vision of coexistence under some system of conflict management While both visions have biblical foundations the apocalyptic alternative has dominated public discussion in the past generation Most people are not even

aware that another vision can be derived from the same Bible and that it transcends the usual definitions of liberal conservative or evangelical politics The essays in this book written by distinguished scholars from various sectors of the theological spectrum throw surprising new light on these questions They were presented as lectures at an extraordinary theological conference sponsored by a large Methodist church in Lincoln Nebraska in October 2009 In contrast to the usual shouting matches between partisans this conference and this book featured liberal and conservative Protestant and Catholic scholars who calmly unearthed new insights about the Bible s relevance for the future of America and the world Readers will be astonished to see these differing viewpoints on the pages of a single book and even more amazed at the new common ground that is prepared by these fresh and profound furrows
