NISHANT BAXI,2020-03-01 Con artists who push scams have a crucial factor working for them besides the sorry state of our economic system and that's the lack of a uniform comprehensive national clamp down by law enforcement officials. It's exceedingly hard to track shut down and bring these rogue companies to justice as many will confirm today. And because most consumers wind up getting taken for a relatively little sum of money, attorneys are seldom willing or able to get involved nor do local law enforcement representatives. According to the Better Business Council, only twenty three % of the bureaus responding to a survey reported any law enforcement actions taken against scams in their area in spite of the fact that ninety three % of the bureaus around the country have got complaints about scams. Here we will show you what these are and how to avoid them.

A Cure For The Common Scam Kyle Jekot C. F. E.,2020-11-23 We all get the calls. We all get the e-mails. But can you tell the difference between a legitimate call or e-mail and a scam? Scammers are working harder than ever before to take advantage of you, your identity and your money. With some guidance and perspective *A Cure for the Common Scam* will help walk you through steps you can take to protecting yourself against the common scams of today. Explained in non technical, straightforward and practical terms, you will learn why a passphrase may be more secure than a password, how to safeguard your bank and investment accounts, how to stay safe while shopping online and much more. You do not have to give in to the schemes of scammers. Learn what it takes to stand up to them and protect yourself today.
