## Only Passing Through:

**Just Passing Through** Daniel Snowman, 2021-09-16 Historian and author Daniel Snowman b 1938 writes of a Jewish child's memories of the War gives colourful inside accounts of life in Cambridge JFK's America including Civil Rights and the new University of Sussex of the BBC in its heyday choral concerts under the world's top conductors and extended visits to the Arctic and Antarctic Daniel watches Churchill making one of his final speeches interviews Harry Truman about Hiroshima spends a week in Bayreuth with Wagner's daughter in law meets Pope John Paul II Isaiah Berlin and Lord Snowdon while getting to know Placido Domingo and the most famous among the Hitler Emigres *Just Passing Through* Helen Jean McCullough, 2016-09-06 IS IT TIME FOR A WAKE UP CALL *Just Passing Through* is a book designed to help us think about the ups and downs of our lives and where God stands in our lives at various times It draws attention to the impact we may have on each other's lives whether positive or negative as we journey through this world God gave us two phases of life 1 our temporary life here on earth in preparation for 2 our eternal life in the destination of our own choosing Where are our earthly preparations leading us Our lifetime here on earth is just a drop in the bucket compared to eternity yet some go on nonchalantly living for now with little thought for the eternal afterlife Why do we put so much emphasis on our short span of life in the here and now and so little emphasis on the eternity of life in the hereafter This is a problem we tend to struggle with throughout our lives Sometimes God is at the forefront and at other times He is put on the back burner not really forgotten but just put aside for the time being In other cases He almost seems non-existent *Just Passing Through* is written for people of all ages who are struggling with their faith or just in need of a little encouragement to stay on track It is aimed at helping us to think about where we are in life what is truly important to us where we are heading and how our decisions can affect future generations If this concerns us then perhaps we should take a look inside We can make a difference *Just Passing Through* Timothy A. Boling, 2009-08-19 I believe there comes a time in every man's life when he needs to stop what he's doing and take a good look at the choices he's made and the direction in life those choices take him Ultimately bad choices will lead you down the wrong path in life nearly every time Though sometimes no matter how hard you try to make the right choices fate still finds a way to somehow make you regret it I discovered this as I lay bound by wrists and ankles in the trunk of a cherry red 1963 Corvette convertible somewhere on Route 322 in Pennsylvania *Just Passing Through* H. Peter Zell, 2020-09-28 In this updated and revised edition of *Just Passing Through* A German American Family Saga first published in 2011 the author tells the story of several generations of his unique but dysfunctional family spanning over a hundred years including the two world wars Peter Zell was eight years old when World War II ended and in a prologue entitled A German American Childhood recounts his boyhood experiences that included the apocalyptic firebombing of his hometown of Stuttgart by the western Allies the postwar occupation of Germany and his family's emigration to America The book centers on the author's mother whom her children called Mutti and her ordeal during the Nazi era for having been

married to a Jew the son of prosperous Frankfurt business owners with whom she had two children With anti Semitism on the rise in Germany her husband decided to emigrate to America but Mutti chose to remain behind to take care of her ailing father The couple had an amicable divorce and while her ex husband took their son with him their daughter remained with Mutti in Germany Under the Nuremberg Laws of 1935 mother and daughter now found themselves classified as non Aryans which meant that Mutti could not remarry while their teenage daughter being half Jewish was put in dire jeopardy of her life At this point Mutti s older brother himself a dedicated National Socialist proposed an unconventional solution that ensured her survival Following his advice she had more children fathered by so called Aryans who were eventually all brought to America The book follows the lives of the five siblings all half brothers and half sisters and their difficult relationships with each other as each seeks to achieve his or her version of the American Dream Just Passing Through J.

Vannevel,2024-10-16 In middle age and on the cusp of big changes Miriam is looking back over her life She was a young woman when she was first smitten by Jacob a charming travelling stranger They ran away together to start a new adventure But that life never turned out as expected Jacob wasn t as charming as he first appeared and when he abandoned his family Miriam was left to raise their daughter alone and wonder whether he would one day return to them Will she ever find a way through the pain and rejection to find the peace she yearns for I Was Just Passing Through Cassandra,2012-05-16 When I decided to write this autobiography a strange feeling overcame me wondering why I should reveal my innermost and carefully protected memories that had lain dormant for so many years and expose them now to the world However others kept encouraging me to share my saga of growing up during very difficult times in the world as well as personal circumstances of instability in which I often felt like I was walking about in a haze Jokes about blondes being dumb might have applied at times but do blondes really have more fun I leave that to you dear reader to decide This haze finally forced me to use an undeveloped creativity I never knew I had that led to amazing unexpected and unusual events and changed the direction of my life completely My hope is that upon reading this no matter how difficult and unfair life is or may seem to be such moments can serve as stepping stones that force us to become creative in making make a life that becomes more exciting and worthwhile We have the gift of life and there truly is no time like the present to hope and achieve for something better whether young or elderly Some of my finest accomplishments took place later in life However this book would never have been written without the help of others Memories of loved ones who have passed on who taught and guided me out of a labyrinth of despair at times will forever remain in my heart as my greatest treasures They are as live to me today in my memory as when they were here **Just Passing Through** Jack Eugene Fernandez,2012-12-06 Just Passing Through explores the many ways people face lifes troubles Though scientific ideas have forced their way into some of these stories the focus is on the characters lives A loving mother dictates her sons life as a despot a priest discovers he has sinned two recent widowers find their mutual attraction disturbing a watchmaker learns the exact date of his death a man sees the world
