Pauline Christology An Exegetical Theological Study:

Pauline Christology Gordon D. Fee,2007-01-01 An exhaustive study of Pauline Christology by noted Pauline scholar Gordon Fee The author provides a detailed analysis of the letters of Paul including those whose authorship is questioned individually exploring the Christology of each one and then attempts a synthesis of the exegetical work into a biblical Christology of Paul The author's synthesis covers the following themes Christ's roles as divine Savior and as preexistent and incarnate Savior Jesus as the Second Adam the Jewish Messiah and Son of God and as the Messiah and exalted Lord Fee also explores the relationship between Christ and the Spirit and considers the Person and role of the Spirit in Paul's thought Appendices cover the theme of Christ and Personified Wisdom and Paul's use of Kurios Lord in citations and echoes of the Septuagint Anyone who has read even a smattering of Paul's writings recognizes early on that his devotion to Christ was the foremost reality and passion of his life What he said in one of his later letters serves as a kind of motto for his entire Christian life For me to live is Christ to die is to gain Christ Phil 1 21 Christ is the beginning and goal of everything for Paul and thus is the single great reality along the way From the Introduction Dictionary of Paul and His Letters InterVarsity Press,2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume s breadth and usefulness for scholars pastors and students today

Perichoretic Salvation James D. Gifford Jr., 2011-09-15 For two thousand years Christian theologians have struggled to explain the believer s union with Christ What sort of union is it How can it be fully described This book is an attempt to join the conversation to explore exactly what it means to be in union with Christ This book will argue that the believer s union with Christ can rightly be presented as a third type of perichoresis Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other In short the doctrine of perichoresis preserves the unity and diversity within the Godhead It is also used to describe the hypostatic union of the divine and human in Christ In Perichoretic Salvation James Gifford argues that the union of the believer and Christ is a relationship of the same kind though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century The Lord Jesus Christ Brandon D. Crowe, 2023-10-18 Christ our Redeemer Jesus is the divine Son of God who has taken on human nature in the incarnation And as prophet priest and king he leads his people in a new exodus In The Lord Jesus Christ Brandon D Crowe reflects on Christ's person and work Crowe traces christological concerns throughout the Old and New Testaments and church history and then presents systematic and practical implications Through a combination of biblical historical and theological study Crowe provides a fresh and robust statement of who Christ is and

what he has done Written from a confessionally Reformed perspective in dialogue with the great creeds of the church The Lord Jesus Christ provides a thorough and trustworthy guide to understanding Jesus and his salvific work Volume 39, Issue 1 D. A. Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition http thegospelcoalition org themelios and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary The Fear of God in 2 **Corinthians 7:1** Euichang Kim, 2019-02-21 Euichang Kim focuses upon the phrase the fear of God drawn from 2 Corinthians exhortation to reconcile with God As opposed to these words appearing from no particular source Kim points to the wider contexts of Old Testament passages quoted by Paul and demonstrates that God's eschatological promises in particular his coming judgment his promise to redeem his people and the prospect of a new covenant are intertwined with this motif of fear Beginning with an analysis of the meaning of fear in both the Old Testament and the New Kim proceeds to the context of fear within 2 Corinthians Scripture the writings of Second Temple Judaism and the very eschatology of Paul suggesting that it stems from an awareness of God's judgment to come and serves to motivate righteous behavior Kim finally argues that in the context of 2 Corinthians the fear of God functions as the proper response to God's saving acts in Christ and provides motivation for believers to pursue a holy life in anticipation of the eschatological judgment to come **Trinitarian** Perspectives in the Apostolic Fathers Mina Fouad Tawfike, Emad Atef Ezzat Hanna, 2023-12-21 In this in depth exploration the authors embark on a journey to uncover the intriguing questions about the Trinity's emergence in the writings of the Apostolic Fathers As this study takes a close look at whether we can find signs of the Trinity and shared understandings in these early texts shedding light on whether these writings reflect a triadic way of talking about God A crucial aspect of the investigation is to see if there is a common belief about the Trinity offering insights into the theological

ideas of that time A central question arises Did the early Apostolic Fathers have a sense of the Trinity If so how did they try to understand it Immersed in the early Christian mindset this book examines how each text talks God the Father Jesus and the Holy Spirit in relation to each other With scholars like Larry Hurtado and Richard Bauckham guiding the way the study explores the connections and differences between the beliefs about God the Father Jesus and the Holy Spirit in the Apostolic Fathers corpus This rich work connects the past with contemporary theological questions Through careful research Trinitarian Perspectives in the Apostolic Fathers reveals the interplay of history faith and divine understanding This book is a helpful resource for theologians historians and anyone seeking a deeper understanding of early Christian beliefs **Blackwell Companion to Paul** Stephen Westerholm, 2014-01-07 The Blackwell Companion to Paul presents a distinctive dual focus approach that encompasses both the historical Paul and the history of Paul's influence In doing so expert contributors successfully address the interests of students of early Christianity and those of Christian theology Offers a complete overview of the life writings and legacy of one of the key figures of Christianity The essays compass the major themes of Paul's life and work as well as his impact through the centuries on theology Church teaching social beliefs art literature and contemporary intellectual thought Edited by one of the leading figures in the field of Pauline Studies The contributors include a range of world renowned academics **Christ Among the Messiahs** Matthew V. Novenson, 2012-04-17 Recent scholarship on ancient Judaism finding only scattered references to messiahs in Hellenistic and Roman period texts has generally concluded that the word messiah did not mean anything determinate in antiquity Meanwhile interpreters of Paul faced with his several hundred uses of the Greek word for messiah have concluded that christos in Paul does not bear its conventional sense Against this curious consensus Matthew V Novenson argues in Christ among the Messiahs that all contemporary uses of such language Paul's included must be taken as evidence for its range of meaning In other words early Jewish messiah language is the kind of thing of which Paul s Christ language is an example Looking at the modern problem of Christ and Paul Novenson shows how the scholarly discussion of christos in Paul has often been a cipher for other more urgent interpretive disputes He then traces the rise and fall of the messianic idea in Jewish studies and gives an alternative account of early Jewish messiah language the convention worked because there existed both an accessible pool of linguistic resources and a community of competent language users Whereas it is commonly objected that the normal rules for understanding christos do not apply in the case of Paul since he uses the word as a name rather than a title Novenson shows that christos in Paul is neither a name nor a title but rather a Greek honorific like Epiphanes or Augustus Focusing on several set phrases that have been taken as evidence that Paul either did or did not use christos in its conventional sense Novenson concludes that the question cannot be settled at the level of formal grammar Examining nine passages in which Paul comments on how he means the word christos Novenson shows that they do all that we normally expect any text to do to count as a messiah text Contrary to much recent research he argues that Christ language in Paul is

itself primary evidence for messiah language in ancient Judaism The Trinity among the Nations Gene L. Green, Stephen T. Pardue, K. K. Yeo, 2015-11-14 The second volume of an exciting new series exploring global theology Though the global center of Christianity has been shifting south and east over the past few decades very few theological resources have dealt with the seismic changes afoot The Majority World Theology series seeks to remedy that lack by gathering well regarded Christian thinkers from around the world to discuss the significance of Christian teaching in their respective contexts The Trinity among the Nations focuses on Christian understandings of the character and work of God in various contexts The contributors highlight global trends in trinitarian theology in relation to historic Christian confessions especially the Nicene Creed and draw out the rich implications of the doctrine of God for the church and Christian living today Who Wrote the Bible? David B. Capes, 2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament The Origin and Persistence of Evil in Galatians Tyler A. Stewart, 2022-02-25 Was Paul s view of evil based on Adam s fall or a mere reflex of Christology Tyler A Stewart argues that in Galatians Paul's thoughts about where evil comes from and why it continues are not based on Adam's fall as the background story but rather the rebellion of angels Page 4 of printed paper wrapper Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter s most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain Paul's Corporate Christophany Rob A. Fringer, 2019-02-28 Paul's Christophany i e his Damascus Road Experience has been the subject of much scholarly analysis However treatments of this phenomenon while widely varied have tended to extract the various references from their literary contexts in order to reconstruct the event to discover the foundations and content of Paul's Christology or to analyze Paul's experience of conversion and or call The current study focused on the undisputed Pauline epistles evaluates how and why

Paul employed the various Christophanic references in their particular literary and sociohistorical contexts Through this assessment the importance of Paul's Christophanic references as part of his larger arguments is established It is shown how Paul uniquely shapes the various Christophanic references to fit the needs of his argument and through it the needs of each community Furthermore this study demonstrates that Paul s Christophanic references do not primarily establish his apostolic status or assert his apostolic authority Through this study the corporate nature of Paul's Christophanic references becomes increasingly evident and multiple general conclusions are drawn which provide a possible glimpse into Paul's understanding of his Christophanic experience Hidden with Christ in God Kevin McFadden, 2023-10-10 An Introduction to the Theology of Colossians and Philemon by Kevin W McFadden Is our hope in the gospel of Christ sufficient for our every need After reflecting on this question during periods of difficult earthly circumstances Paul wrote two letters to the church at Colossae to express the hidden hope laid up for you in heaven Colossians 1 5 and found in the person of Christ In this volume of the New Testament Theology series author Kevin W McFadden focuses on the specific teachings of Paul to examine the theology and themes of Colossians and Philemon While reading this comprehensive yet concise study believers will learn what it means to live a Christ centered life as they explore Christ as hope our knowledge of God and our life above in heaven and here on earth Part of the New Testament Theology Series Other volumes include The Joy of Hearing United to Christ Walking in the Spirit The Beginning of the Gospel and more Ideal for Anyone Wanting to Study the Bible More Deeply Perfect for pastors seminarians college students and laypeople Written by Kevin W McFadden Professor and author of Faith in the Son New Testament Theology and Ethics Ben Witherington III,2016-03-21 In the second volume of his two volume of God comprehensive overview of the theological and ethical thought world of the New Testament Ben Witherington III focuses on the collective witness of New Testament writers the convergences and divergences of their theological and ethical thought

Triadosis Eduard Borysov,2021-01-01 The complex nature of Christian communion with a personal God requires a nuanced expression Since its inception the early church affirmed God s unknowable nature and also participation in God through Christ The church fathers employed the language of theosis in talking about union with God and human transformation in the likeness of God However the term theosis or deification is a broad category and requires precise explanation to avoid human dissolution into the divine in the mystical union it attempts to describe In Triadosis Eduard Borysov offers a new approach to the conundrum of the imparticipable divine nature and the prospect of personal union between human and the Trinity Most significantly he proposes that if God is Trinity then we are created and restored in the image of the same tri personal God *Conformed to the Image of His Son* Haley Goranson Jacob,2018-07-17 What does Paul mean when in Romans 8 29 he speaks of being conformed to the image of his Son Is it a moral or spiritual or sanctifying conformity to Christ or to his suffering or does it point to an eschatological transformation into radiant glory Haley Goranson Jacob points out that the key lies in the meaning of glory in Paul s biblical theological perspective and in how he uses the

language of glory in Romans 1 Peter Craig S. Keener,2021-06-15 Leading New Testament scholar Craig Keener one of the most trusted exegetes working today is widely respected for his thorough research sound judgments and knowledge of ancient sources His four volume magnum opus on Acts has received high praise from all quarters This commentary on 1 Peter features Keener's meticulous and comprehensive research and offers a wealth of fresh insights It will benefit students pastors and church leaders alike God's Judgment through the Davidic Messiah Myongil Kim,2020-10-02 This dissertation examines the role of the Davidic Messiah who is the agent of God's judgment in Romans 1 18 4 25 It may be summarized in two theses First of all the Davidic Messiah was expected in the Old Testament and the Second Temple Jewish writings which establish the foundation for Paul's Davidic Messiah Christology in Romans Second the language in the role of the agent of God's judgment cannot be identified with the term faithfulness
