**"Believing Thinking, Bounded Theology"** Cynthia Bennett Brown, 2016-01-28 Surprisingly little attention has been given in recent scholarship to the work of Emil Brunner 1889 1966 one of the leading neo orthodox theologians of the twentieth century But his influence on modern theology persists to this day offering a path to philosophical truth through faith In *Believing Thinking Bounded Theology* Cynthia Bennett Brown explores the nature of and limits to theological thinking in Brunner's work What results from this study is an encounter with a thoroughly biblical warmly pastoral carefully intellectual and insistently Christocentric exposition of the Christian faith that remains relevant for theology and life today

**Four Views on Moving Beyond the Bible to Theology** Gary T. Meadors, 2009 *Four Views on Moving Beyond the Bible to Theology* evaluates interpretive models of applying biblical texts and provides perspectives on questions of moving from Scripture to theology

**Four Views on the Spectrum of Evangelicalism** Kevin Bauder, R. Albert Mohler, Jr., John G. Stackhouse, Jr., Roger E. Olson, 2011-10-04 Understand the history core values and divisions as they've developed within the Evangelical Christian movement *Four Views on the Spectrum of Evangelicalism* compares and contrasts four distinct positions on the current fundamentalist evangelical spectrum Each contributor offers their case for one of four primary views Fundamentalism defended by Kevin T Bauder Conservative confessional evangelicalism defended by R Albert Mohler Jr Generic evangelicalism defended by John G Stackhouse Jr Postconservative evangelicalism defended by Roger E Olson Each author explains and defends his position which is critiqued by the other three authors The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

**The Faith Once for All** Jack Cottrell, 2002 *Knowing God by Scripture* Daniel Yordy, 2017-03-10 The Bible is the single most studied book in history One could obtain a doctorate in theology from any branch of Christian thinking and assume that what the Bible says is marked out and known Of truth many also assume that one needs such an education in order to write a credible text on how to study and interpret the Bible How else could one know what the Bible is about What you have in your hands is a different approach to Bible study than what you will find in most theological colleges It is a text coming out of forty years of a different kind of study a study from the urgency of unquenchable thirst a determination to find this Jesus in God's word whom everyone says is far away from us It is a study coming out of a single minded devotion to see just exactly what God does say in His word every time some preacher shouts The Bible says It is a study coming out of tears and sorrows out of failure and ruin out of hours spent before a Holy and a Mighty God There is one qualification required for anyone to approach the Bible in the way presented in this text DO YOU THIRST If you do then come come to Jesus where He IS and drink
