Pdf Days Release Vision Torch Journal:

Water and the California Dream David Carle, 2016-05-01 In the last one hundred years imported water has transformed the environment of the Golden State and its quality of life with land ownership patterns and real estate boosterism dramatically altering both urban and rural communities The key to this transformation has been expanded access to water from the Eastern Sierra the Colorado River and Northern California rivers Whoever brings the water brings the people wrote engineer William Mulholland under whose leadership the process of growth through irrigation began Now using first person voices of Californians to reveal the resulting changes author David Carle concludes that it may be time to stop drowning the California dream of the good life with imported water Using oral histories contemporary newspaper articles and autobiographies Carle explores the historic changes in California showing how imported water has shaped the pattern of population growth in the state Because water choices remain the primary tool for shaping California's future Carle also argues that it is possible to improve both the state's damaged environment and the quality of life if Californians will step out of this historic pattern and embrace limited water supplies as a fact of life in this naturally dry region

Handbook of Sport and Japan Helen Macnaughtan, Verity Postlethwaite, 2025-10-01 The Handbook of Sport and Japan presents a fascinating collection of established and new scholarship a valuable text for readers who want to use sport as lens to look more closely into a nation The handbook draws on a diversity of perspectives disciplines and experiences all of which respond to the challenge of including sport in the study of Japan The chapters in the handbook convey what taking part in sport feels and looks like highlighting the sporting accomplishments of Japanese athletes and teams while also reflecting how the sporting experience interacts with economics diplomacy media culture demographics gender ethnicity and identity Contributions pose key questions about what conclusions can be made when sport is placed in the foreground of key events in Japanese history including pre war industrialisation and empire building to the post war economic boom the 2011 Tohoku Disaster and the recent COVID 19 pandemic
