### Description

The area surrounding Cashiers, North Carolina, is home to people of all kinds, but the world that Jacob McNeely lives in is crueler than most. His father runs a methodically organized meth ring, with local authorities on the dime to turn a blind eye to his dealings. Having dropped out of high school and cut himself off from his peers, Jacob has been working for this father for years, all on the promise that his payday will come eventually. The only joy he finds comes from reuniting with Maggie, his first love, and a girl clearly bound for bigger and better things than their hardcrabble town.
