Summary of Caroline M. Myss's Anatomy Of The Spirit Everest Media,2022-03-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The human energy field is a highly sensitive perceptual system that extends as far out as your outstretched arms and the full length of your body It is both an information center and a highly sensitive perceptual system The energy field carries emotional energy created by our internal and external experiences and it influences the physical tissue within our bodies 2 Positive images and the energy of positive experiences are also held in the energy field They are converted into matter by the brain and emotions are stored physically in our bodies and interact with our cells and tissues 3 The energy that is produced from our emotional and psychological states converts into biological matter through a highly complex process Each organ and system in the body is calibrated to absorb and process specific emotional and psychological energies 4 Intuitions are the result of the body s attempt to promote its own health and they are usually only concerned with the part of the body that is becoming weakened or diseased They transmit only the essential information to bring the conscious mind to an awareness of the imbalance or disease

Anatomy of the Spiritual Body Anthony Harvey,2021-07-05 The Anatomy of The Spiritual Body this is a work of inspiration for those who want to become a part of the spiritual body and for those that are in the spiritual body but may be functioning as a hand when their actual function is foot Many members of the spiritual body are functioning but they are misplaced As you read this book you will be shown where you fit in For the body is not one member but many If the foot shall say Because I am not the hand I am not of the body is it therefore not of the body And if the ear shall say Because I am not the eye I am not of the body is it therefore not of the body If the whole body were an eye where were the hearing If the whole were hearing where were the smelling But now hath God set the members every one of them in the body as it hath pleased him And if they were all one member where were the body But now they are many members yet but one body And the eye cannot say unto the hand I have no need of thee nor again the head and to the feet I have no need of you Nay much more those members of the body which seem to be more feeble are necessary 1 Corinthians 12 14 22 Anatomy of the Spiritual Body is a work that includes a description of some of the natural body s systems with a metaphorical comparison associated

with the spiritual body See where you fit in the spiritual body and see if you are functioning to your fullest capacity
