

Independence day Speech

Good morning respected principals, teachers and my dear friends

India was liberated on 15th of August 1947 by the slavery of the British. The date 15th of August 1947 in India has become a very important day in Indian history. It was the luckiest day of year 1947 when India became independent after lots of hard struggle and sacrifices of Indian fighters.

When India got its independence, the public of India had chosen their first Prime Minister Pandit Jawahar Lal Nehru who had unfurled the tricolor National Flag at the Red Fort in the national capital, New Delhi for the first time. All people rejoice this special day with great joy every year.

Twin Populist Reform Warriors 500 Years Apart Paul F. Swartz, 2023-08-14 Similarities between Playboy Donald Trump and Holy Man Martin Luther Scandalized by such a thought Through the rediscovery of the Gospel the great Reformer realized he was the object of God s love not His anger and wrath Both Luther and Trump understood that God s ways are not always our ways and that God can choose and work through sinners Neither twin understood themselves to be saints but were free to be themselves They are gifted yet flawed human beings driven by optimistic visions of what the Church and State should be Drawing insights from history Scripture and theology Swartz illustrates numerous similarities in his Twins separated by five centuries The times events and circumstances they encountered exhibit uncanny parallelisms elite establishments social media swamps walls and plagues Even more striking is how their political stance and personal traits mirror each other coarse and filthy speech pugnacious reactions and use of derisive nicknames There s also a resemblance in their spouses as they became the Maligned Housewives of the Black Cloister and the White House

Fear, Hate, and Victimhood Andrew E. Stoner, 2022-03-25 When Donald Trump announced his campaign for president in 2015 journalists historians and politicians alike attempted to compare his candidacy to that of Governor George Wallace Like Trump Wallace who launched four presidential campaigns between 1964 and 1976 utilized rhetoric based in resentment nationalism and anger to sway and eventually captivate voters among America s white majority Though separated by almost half a century the campaigns of both Wallace and Trump broke new grounds for political partisanship and divisiveness In Fear Hate and Victimhood How George Wallace Wrote the Donald Trump Playbook author Andrew E Stoner conducts a deep analysis of the two candidates their campaigns and their speeches and activities as well as their coverage by the media through the lens of demagogic rhetoric Though past work on Wallace argues

conventional politics overcame the candidate Stoner makes the case that Wallace may in fact be a prelude to the more successful Trump campaign Stoner considers how ideas about in group and out group mentalities operate in politics how anti establishment views permeate much of the rhetoric in question and how expressions of victimhood often paradoxically characterize the language of a leader praised for telling it like it is He also examines the role of political spectacle in each candidate s campaigns exploring how media struggles to respond to let alone document demagogic rhetoric Ultimately the author suggests that the Trump presidency can be understood as an actualized version of the Wallace presidency that never was Though vast differences exist the demagogic positioning of both men provides a framework to dissect these times and perhaps a valuable warning about what is possible in our highly digitized information society The Longest March Aziz Baloch,Shawn Forbes,Kyle Farquharson,2018-07-21 Balochistan is a large mountainous desert region in southwestern Asia that is rich in natural resources and has been a geopolitically crucial location since the dawn of civilization The Longest March Balochistans Struggle for Human Rights and Self Determination provides a fresh perspective and detailed analysis of Balochistans rich history culture and the Baloch peoples struggle for liberation The team at Balochi TV Online exposes the social deprivations and human rights abuses inflicted upon the Baloch people by the occupying states Formerly its own sovereign country for the past seventy years Balochistan has been occupied by Pakistan and Iran Ever since the occupation of Balochistan began the Baloch people have been subjected to a systematic campaign of enforced disappearances extrajudicial killings and violent military operations Despite the Baloch peoples efforts to raise awareness of the human rights abuses in Balochistan on the world stage the international community has thus far failed to respond Since 2015 the Balochi TV Online team has tirelessly worked to document and broadcast these atrocities The Origins of Public Diplomacy in US Statecraft Caitlin E. Islam and Democracy in the Maldives Azim Zahir, 2021-11-29 This book examines Islam's relationship to democratization in the Indian Ocean nation of the Maldives It explores how and why an electoral democracy based in a constitution that has many liberal features but also Islam based limitations especially lack of religious freedom emerged in the country by 2009 In doing so the book interrogates a major approach to Muslim politics that assumes reformist interpretations of Islam are a positive and even a necessary force for liberalization and democratization in Muslim majority contexts This book shows reformist Islam did play certain positive roles in democratization in the Maldives However the book suggests reformist Islam may not be an invariably uncontroversial force in the space of politics It argues that modern nation building in the Maldives shaped by political actors with reformist Islamic orientations since around the 1930s has also completely transformed Islam as a modern institutional and discursive political religion These transformations of Islam as a modern political religion have existed as path dependent constraints on the depth of democratization ensuring religion based limitations and intensifying controversy over religion vis vis the state and individual rights An original empirical contribution towards a better understanding of Islam and politics in the Maldives this book will be of interest to academics and students working on democracy and Islam in particular and in the fields of political science and area studies especially South Asian politics
