

The background of the entire image is a photograph of a stone castle ruin. The castle is built on a rocky, grassy hill. The sky is a deep, dark blue, suggesting twilight or dusk. The castle's walls are made of rough-hewn stone, and some parts are crumbling. A prominent tower on the left is partially ruined. The overall mood is historical and atmospheric.

"Of all the Arthuriana I've read and loved,
Lancelot: Her Story is right up top.
It hearkens back to the galloping, castellated
feel of Malory, and yet its twist
speaks to today's audience."
-- Sherwood Smith, author of *Crown Duel*
