Architectures of Grace in Pastoral Care Douglas B. Olds, 2023-05-23 An updating of virtue ethics for modern pastors and the souls they care for this book proposes innovations for the craft of ministry in the theology of grace how virtues radiate to tame strife and other destructive behaviors It presents a comprehensive alternative to the top down proclamations of biblical counseling approaches that try to impart from an eclectic biblicist lens cognitive authorities for consequential change Instead Christ s bottom up practice of virtues heals and fulfills by focusing on neighbor first and subordinating the ego s strategic considerations more graciously spreading God s will in ministry through participatory and experiential knowledge Virtuous pastoral ministries integrate the common grace of humanist learning to address the range of the care seeker s contemporary context her upbringing struggles and affiliations This book presents more the how than the what of pastoral theology more how the dance of mutuality and chivalry enters the spiritual flow of healing metaphysical grace than the what of right belief Even so pastoral care from the virtue ethical approach inevitably reconsiders vending machine theologies destructive doctrinal boundaries and context lite biblicisms This presentation introduces how virtue ethics apply to ministry the household individual trauma and addictions and the contemporary political and cultural arena *Nicholas of Lyra, Literal Commentary on Galatians* ,2015-12-31 Though little known today Nicholas of Lyra s commentaries are arguably among the most widely read and influential commentaries of all time For more than two hundred years from the time of their composition well into the Reformation era they were copied and recopied printed and reprinted as an indispensable guide to the meaning of scripture Naumann presents here a complete translation of Lyra s literal commentary on Galatians in English for the first time with a freshly edited Latin text and provides ample notes on its significance in relation to the works of previous authors **Reading Galatians, Philippians, and 1 Thessalonians** Charles B. the truth by well meaning communicators of the Holy Scriptures or has the Word been woefully misinterpreted by all but a few people How did epistles that Paul wrote become known as books Paul wrote letters In them he quoted Scripture The only Scriptures available in Paul s and Messiah s day were the books of Moses the writings and the prophets Tanakh There was no such thing as a New Testament Yet people reject the Old Testament Scriptures while building their beliefs upon what Paul supposedly wrote without a clear understanding of what Messiah and his apostles lived preached and communicated Thus ignorance of the true gospel has turned it from one of belief repentance and obedience into a message of grace that requires little more than a belief in an unknown Messiah and rejection of the Almighty s laws laws which apply for all time Unlike ever before today it is finally possible to reap the fruits of Searching The Scriptures using the proper tools to glean not only what is the faith once delivered to the saints but also to understand what all believers today must do as well as believe Explore the evidence in this first of a 4 volume commentary The true gospel of the kingdom is not only one of belief but of right action and of obedience The good news is that religious doctrines and manmade traditions have absolutely nothing to do with salvation Understanding Paul s epistles to the Galatians is the first step toward right understanding of this narrow path that believers are called to walk The next step is yours to take Are you ready Searching The Scriptures is a LIVE weekly online broadcast at ArthurBaileyMinistries.com *Galatians* William Hendriksen, 1969
