An Introduction to Qualitative Research Maria K. E. Lahman,2024-04-17 This engaging introduction to all aspects of qualitative research challenges students to consider how their research can be culturally responsive The first part of the book introduces the foundations including theory ethics and reflexivity with an emphasis on multiple methodologies from traditional to critical and cutting edge The second part covers practical guidance from writing proposals to data collection and includes a chapter dedicated to creating a culturally responsive relationship with research participants Finally readers engage with how the quality of research is enhanced how data are analyzed and how research accounts are created and disseminated Areas vital to the health of qualitative research are addressed including systemic racism and cultural humility with cutting edge suggestions offered in areas like hybrid research harnessing technology and use of social media Multiple identities are centered in examples throughout including race gender and those who are hard to reach or seldom heard in research Textboxes featuring scholars student researchers and community members invite readers into dialogue in an area that is contested swiftly shifting and always vibrant with potential Resources for instructors are available on a website to

accompany the book **International LGBTQ+ Literature for Children and Young Adults** B.J. Epstein, Elizabeth Chapman, 2021-08-17 This edited collection explores LGBTQ literature for young readers around the world and connects this literature to greater societal political linguistic historical and cultural concerns It brings together contributions from across the academic and activist spectra looking at picture books middle grade books and young adult novels to explore what is at stake when we write or do not write about LGBTQ topics for young readers The topics include the representation of sexualities and gender identities depictions of queer families censorship links between culture language and sexuality gender translation of LGBTQ literature for young readers and self publishing It is the first collection to expand the study of LGBTQ literature for young readers beyond the English speaking world and to draw cross cultural comparisons *Instagram* Tama Leaver, Tim Highfield, Crystal Abidin, 2020-01-22 Instagram is at the heart of global digital culture having made selfies filters and square frames an inescapable part of everyday life since it was launched in 2010 In the first book length examination of Instagram Tama Leaver Tim Highfield and Crystal Abidin trace how this quintessential mobile photography app has developed as a platform and a culture They consider aspects such as the new visual social media aesthetics the rise of Influencers and new visual economies and the complex politics of the platform as well as examining how Instagram s users change their use of the platform over time and respond to evolving features The book highlights the different ways Instagram is used by subcultural groups around the world and how museums restaurants and public spaces are striving to be Insta worthy Far from just capturing milestones and moments the authors argue that Instagram has altered the ways people communicate and share while also creating new approaches to marketing advertising politics and the design of spaces and venues Rich with grounded examples from across the world from birth pictures to selfies at funerals Instagram is essential reading for students and scholars of media and communication **The Language of Argumentation** Ronny Boogaart, Henrike Jansen, Maarten van Leeuwen, 2021-01-20 Bringing together scholars from a broad range of theoretical perspectives The Language of Argumentation offers a unique overview of research at the crossroads of linguistics and theories of argumentation In addition to theoretical and methodological reflections by leading scholars in their fields the book contains studies of the relationship between language and argumentation from two different viewpoints While some chapters take a specific argumentative move as their point of departure and investigate the ways in which it is linguistically manifested in discourse other chapters start off from a linguistic construction trying to determine its argumentative function and rhetorical potential The Language of Argumentation documents the currently prominent research on stylistic aspects of argumentation and illustrates how the study of argumentation benefits from insights from linguistic models ranging from theoretical pragmatics politeness theory and metaphor studies to models of discourse coherence and construction grammar **The Dictionary of the Book** Sidney E.
