book offers a selection of hotels rural tourism establishments restaurants and pubs of all comfort and price categories

*Fishes with Funny French Names* Debra Kelly,2021-12-02 This book tells the story of what happens when an essentially Parisian institution travels and establishes itself in its neighbour s capital city bringing with it French food culture and culinary practices The arrival and evolution of the French restaurant in the British capital is a tale of culinary and cultural exchange and of continuity and change in the development of London s dining out culture Although the main character of this story is the French restaurant this cultural history also necessarily engages with the people who produce purvey purchase and consume that food culture in many different ways and in many different settings in London over a period of some one hundred and fifty years British references to France and to the French are littered with associations with food whether it is desired rejected admired loathed envied disdained from the status of haute cuisine and the restaurants and chefs associated with it to contemporary concerns about food poverty and food waste to dietary habits and the politicisation of food and at every level in between However thinking about the place of the French restaurant in London restaurant and food culture over a long time span in many and varied places and spaces in the capital creates a more nuanced picture than that which may at first seem obvious
