

The background of the book cover is a detailed, colorful illustration of various microorganisms. In the upper left, there are green, leaf-like structures with circular patterns. Below them are several spherical, textured organisms in shades of brown and purple. On the right side, there are two large, complex structures resembling viruses or bacteria with a purple core and a green outer layer, surrounded by a dense layer of red and yellow spikes. A vertical, translucent, crystalline structure runs down the center of the cover.
