**Most Talkative** Andy Cohen,2012-05-08 The man behind the Real Housewives writes about his lifelong love affair with pop culture that brought him from the suburbs of St Louis to his own television show From a young age Andy Cohen knew one thing He loved television Not in the way that most kids do but in an irrepressible all consuming I want to climb inside the tube kind of way And climb inside he did Now presiding over Bravo s reality TV empire he started out as an overly talkative pop culture obsessive devoted to Charlie s Angels and All My Children and to his mother who received daily letters from Andy at summer camp usually reminding her to tape the soaps In retrospect it s hard to believe that everyone didn t know that Andy was gay still he remained in the closet until college Finally out he embarked on making a career out of his passion for television The journey begins with Andy interviewing his all time idol Susan Lucci for his college newspaper and ends with him in a job where he has a hand in creating today s celebrity icons In the witty no holds barred style of his show Watch What Happens Live Andy tells tales of absurd mishaps during his ten years at CBS News hilarious encounters with the heroes and heroines of his youth and the real stories behind The Real Housewives Dishy funny and full of heart Most Talkative provides a one of a kind glimpse into the world of television from a fan who grew up watching the screen and is now inside it both making shows and hosting his own Free Women, Free Men Camille Paglia,2018-02-06 Ever since the release of her
