## **Odysseys Home Odysseys Home:**

*Odysseys Home* George Elliott Clarke, 2017-06-22 *Odysseys Home Mapping African Canadian Literature* is a pioneering study of African Canadian literary creativity laying the groundwork for future scholarly work in the field Based on extensive excavations of archives and texts this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures George Elliott Clarke identifies African Canadian literature s distinguishing characteristics argues for its relevance to both African Diasporic Black and Canadian Studies and critiques several of its key creators and texts Scholarly and sophisticated the survey cites and interprets the works of several major African Canadian writers including Andr Alexis Dionne Brand Austin Clarke Claire Harris and M Nourbese Philip In so doing Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism liberalism and conservatism These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa African America and the Caribbean In addition to the essays Clarke has assembled a seminal and expansive bibliography of texts literature and criticism from both English and French Canada This important resource will inevitably challenge and change future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora

**Travel and Home in Homer's Odyssey and Contemporary Literature** Carol Dougherty, 2019-06-20 *Travel and Home in Homer s Odyssey and Contemporary Literature* brings Homer s Odyssey together with contemporary literary texts ranging from Rebecca West s *The Return of the Soldier* to Marilynne Robinson s *Housekeeping* and Cormac McCarthy s *The Road* to produce new readings that reframe reorient and ultimately revise aspects of Homer s iconic story of travel and home While some novels share with the Odyssey a celebration of the creative process of improvisation to rethink the relationship between home and travel others draw upon nostalgia our complicated longing for home to unsettle the inevitability of return Rather than offering an explicit retelling of Homer s poem each of these novels prompts us to revisit the relationship between travel and home that Odysseus and Penelope embody to ask new questions of that well read text Does travel reinforce or destabilize our notion of home Are mobility and domesticity irrevocably gendered or can we imagine a world in which Penelope travels and Odysseus stays home Just as Odysseus continually reinvents his own identity with each new encounter both abroad and at home so too we as readers participate in an improvisatory interpretive experiment of our own This volume sets out a new model for reading ancient and contemporary texts together one that challenges the conventional chronological assumptions inherent in many works of classical reception No longer a stable text to which we as readers return time and again to find it the same the Odyssey together with the novels with which it engages changes and adapts with each new literary encounter

**The "Odyssey" in Athens** Erwin F. Cook, 2018-07-05 A study in poetic

interaction The Odyssey in Athens explores the ways in which narrative structure and parallels within and between epic poems create or disclose meaning Erwin F Cook also broadens the scope of this intertextual approach to include the relationship of Homeric epic to ritual Specifically he argues that the Odyssey achieved its form as a written text within the context of Athenian civic cults during the reign of Peisistratos Focusing on the prologue and the Apologoi Books 9 12 Cook shows how the traditional Greek polarity between force and intelligence informs the Odyssean narrative at all levels of composition He then uses this polarity to explain instances of Odyssean self reference allusions to other epic traditions in particular the Iliad and interaction between the poem and its performance context in Athenian civic ritual This detailed structural analysis with its insights into the circumstances and meaning of the Odyssey s composition will lead to a new understanding of the Homeric epics and the tradition they evoked Para-Narratives in the Odyssey Maureen Alden,2017-09-15 Readers coming to the Odyssey for the first time are often dazzled and bewildered by the wealth of material it contains which is seemingly unrelated to the central story the main plot of Odysseus return to Ithaca is complicated by myriad secondary narratives related by the poet and his characters including Odysseus own fantastic tales of Lotus Eaters Sirens and cannibal giants Although these para narratives are a source of pleasure and entertainment in their own right each also has a special relevance to its immediate context elucidating Odysseus predicament and also subtly influencing and guiding the audience s reception of the main story By exploring variations on the basic story shape drawing on familiar tales anecdotes and mythology or inserting analogous situations they create illuminating parallels to the main narrative and prompt specific responses in readers or listeners This is the case even when details are suppressed or altered as the audience may still experience the reverberations of the better known version of the tradition and it also applies to the characters themselves who are often provided with a model of action for imitation or avoidance in their immediate contexts The Odyssey Homer,1921 Understanding The Odyssey Claudia Durst Johnson,Vernon Johnson,2003-06-30 For thousands of years The Odyssey has resonated throughout the Western world Homer has been an original source of inspiration to writers painters sculptors and filmmakers as well as a vital source of information about the mythology history and culture of ancient Greece This casebook uniquely blends commentary and primary documents situating the epic within historical contexts that are important for students to understand The literary analysis chapter is ideal for readers coming to The Odyssey for the first time introducing the work with a chronology of events and identification of major characters and themes Topical chapters carefully consider matters of mythology geography archeology and class issues pertinent to The Odyssey Excerpts from classical and scholarly sources including Herodotus Plato Thucydides and Bulfinch help students understand the historical framework and materials from government documents and newspaper accounts help students make connections betweenThe Odyssey s thematic ideas and current events such as the September 11th attacks and the ongoing conflict in Ireland **Odyssey** Homer,2000-03-01 Lombardo s Odyssey offers the distinctive speed clarity and boldness that

so distinguished his 1997 Iliad      Classics in Translation Paul Lachlan MacKendrick, Herbert Marshall Howe, 1952  
 Annotation Here translated into modern idiom are many works of the authors whose ideas have constituted the mainstream of classical thought This volume of new translations was born of necessity to answer the needs of a course in Greek and Roman culture offered by the Department of Integrated Liberal Studies at the University of Wisconsin Since its original publication in 1952 Classics in Translation has been adopted by many different academic institutions to fill similar needs of their undergraduate students This new printing is further evidence of this collection's general acceptance by teachers students and the reviewing critics      **The Art of the Odyssey** Howard W. Clarke, 1989 This is a literary explication aimed at helping the first time reader more fully to appreciate and understand the Odyssey The book includes a chronology extensive notes and suggestions for further reading      The Odyssey - Literary Touchstone Edition Homer, 2006 This Prestwick House Literary Touchstone Classic includes a glossary and reader's notes to help the modern reader contend with the Odyssey's vocabulary and references to Greek mythology The epic tale of Odysseus ten year journey after the defeat of Troy is at once a thrilling adventure story a passionate love story and a fantasy rooted in ancient history It is also the cornerstone on which much of Western literature and thought is based Three thousand years after ancient bards plucked their lyres and sang the adventures of gods and heroes we still see much of ourselves in the tales of Odysseus and his men as they battle natural and supernatural forces and their own human nature to find their way home      *Odyssey* Homer, 1891      **The Odyssey** Homer, 2005-09-27 A bold new translation that preserves the swiftness austerity and clarity of the original Tell us Goddess daughter of Zeus start in your own place when all the rest at Troy had fled from that steep doom and gone back home away from war and the salt sea only this man longed for his wife and a way home Homer's Odyssey at once an exciting epic of strife and subterfuge and a deeply felt tale of love and devotion stands at the very beginning of the Western literary tradition From ancient Greece to the present day its influence on later literature has been unsurpassed and for centuries translators have approached the meter tone and pace of Homer's poetry with a variety of strategies Chapman and Pope paid keen attention to color drama and vivacity of style rendering the Greek verse loosely and inventively In the twentieth century translators such as Lattimore kept rigorously close to the sense of each word in the original others including Fitzgerald and Fagles have departed further from the language of the original employing their own inventive modern style Poet and translator Edward McCrorie now opens new territory in this striking rendition which captures the spare powerful tone of Homer's epic while engaging contemporary readers with its brisk pace idiomatic language and lively characterization McCrorie closely reproduces the Greek metrical patterns and employs a diction and syntax that reflects the plain at times stark quality of Homer's lines rather than later English poetic styles Avoiding both the stiffness of word for word literalism and the exaggeration and distortion of free adaptation this translation dramatically evokes the ancient sound and sense of the poem McCrorie's is truly an Odyssey for the twenty first century To accompany this innovative translation noted classical

scholar Richard Martin has written an accessible and wide ranging introduction explaining the historical and literary context of the Odyssey its theological and cultural underpinnings Homer s poetic strategies and narrative techniques and his cast of characters In addition Martin provides detailed notes far more extensive than those in other editions addressing key themes and concepts the histories of persons gods events and myths literary motifs and devices and plot development Also included is a pronunciation glossary and character index      **CliffsNotes on Homer's The Odyssey** Stanley P Baldwin,2011-05-02

The original CliffsNotes study guides offer expert commentary on major themes plots characters literary devices and historical background The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format In CliffsNotes on The Odyssey you follow along on Homer s grand adventure This epic poem unfurls the story of Odysseus triumph over Troy and arduous journey home to reclaim his kingdom At 2 500 years old it is one of the finest books ever written as poetry it sets the standard for comparison and it serves as one of the foundations of the Western world s cultural heritage This study guide carries you along on Odysseus journey by providing summaries and critical analyses of each book You ll also explore the life and background of the epic Homer and gain insight into the Homeric Question Other features that help you study include Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays on the literary devices and major symbols of The Odyssey A review section that tests your knowledge A Resource Center full of books articles films and Internet sites Classic literature or modern day treasure you ll understand it all with expert information and insight from CliffsNotes study guides      Homer:

Odyssey Books VI-VIII Homer,1994-12-08 This edition of the Odyssey books VI VIII forms an introduction to Homer for students of Greek The commentary aims especially to provide guidance on questions of literary and narrative technique and poetic artistry      A Commentary on Homer's Odyssey: Introduction and Books I-VIII Alfred Heubeck,Stephanie West,John

Bryan Hainsworth,A. Hoekstra,1990      **Homer's Odyssey and the Near East** Bruce Louden,2011-01-06 The Odyssey s larger plot is composed of a number of distinct genres of myth all of which are extant in various Near Eastern cultures Mesopotamian West Semitic and Egyptian Unexpectedly the Near Eastern culture with which the Odyssey has the most parallels is the Old Testament Consideration of how much of the Odyssey focuses on non heroic episodes hosts receiving guests a king disguised as a beggar recognition scenes between long separated family members reaffirms the Odyssey s parallels with the Bible In particular the book argues that the Odyssey is in a dialogic relationship with Genesis which features the same three types of myth that comprise the majority of the Odyssey theoxeny romance Joseph in Egypt and Argonautic myth Jacob winning Rachel from Laban The Odyssey also offers intriguing parallels to the Book of Jonah and Odysseus treatment by the suitors offers close parallels to the Gospels depiction of Christ in Jerusalem      The Essential Odyssey Homer,2007-09-15 This generous abridgment of Stanley Lombardo s translation of the Odyssey offers more than half of the epic including all of its best known episodes and finest poetry while providing concise summaries for omitted

books and passages Sheila Murnaghan's Introduction a shortened version of her essay for the unabridged edition is ideal for readers new to this remarkable tale of the homecoming of Odysseus *The Iliad and the Odyssey* Jan Parker, 2021-10-13 The Iliad dealing with the final stages of the Trojan War and The Odyssey with return and aftermath were central to the Classical Greeks self identity and world view Epic poems attributed to Homer they underpinned ideas about heroism masculinity and identity about glory sacrifice and the pity of war about what makes life worth living From Achilles Patroclus and Agamemnon in the Greek camp Hektor Paris and Helen in Troy's citadel the drama of the battlefield and the gods looking on to Odysseus adventures and vengeful return Jan Parker here offers the ideal companion to exploring key events characters and major themes A book by book synopsis and commentary discuss the heroes relationships values and psychology and the narratives shimmering presentation of war its victims and the challenges of return and reintegration Essays set the epics in their historical context and trace the key terms the Journey Home from War continues with Afterstories of both heroes and their women Whether you've always wanted to go deeper into these extraordinary works or are coming to them for the first time The Iliad and the Odyssey The Trojan War Tragedy and Aftermath will help you understand and enjoy Homer's monumentally important work *The Odyssey of Love* Paul Krause, 2021-07-08 Tolle Lege take up and read These words from St Augustine perfectly describe the human condition Reading is the universal pilgrimage of the soul In reading we journey to find ourselves and to save ourselves The ultimate journey is reading the Great Books In the Great Books we find the struggle of the human soul its aspirations desires and failures Through reading we find faces and souls familiar to us even if they lived a thousand years ago The unread life is not worth living and in reading we may well discover what life is truly about and prepare ourselves for the pilgrimage of life **A Narratological Commentary on the Odyssey** Irene J. F. de Jong, 2001-11-22 Comprehensive commentaries on the Homeric texts abound but this commentary concentrates on one major aspect of the Odyssey its narrative art The role of narrator and narratees methods of characterization and scenery description and the development of the plot are discussed The study aims to enhance our understanding of this masterpiece of European literature All Greek references are translated and technical terms are explained in a glossary It is directed at students and scholars of Greek literature and comparative literature
