*Reflections of a Veteran Pessimist* Walter Laqueur, 2017-09-29 Having been exposed early in life to the dangers of extreme nationalism journalist and historian Walter Laqueur chose to align his thinking with Victor Hugo's ideal of a European Brotherhood where the European nations would merge into a superior unit overcoming war and strife However as time wore on and consolidating national solidarities seemed ever more impossible Laqueur became more of a pessimist Today he still hopes for unity but doubts that it will ever come to pass This volume represents the culmination of thought of a most noteworthy contemporary historian *Reflections of a Veteran Pessimist* is divided into four sections Europe in Decline Jews in the Twentieth Century Russia after the Soviet Union and Observations Having lived under the Nazi regime Laqueur is keenly aware of the dangers posed by strident nationalism in Europe and rampant religious zealotry in the Middle East Reflecting on the lingering financial crisis in Europe Laqueur observes its serious consequences populist movements and growing opposition to European integration He notes that the influx of refugees resulting from Middle Eastern instability have sharpened the challenges facing Europe and weakened its unity Laqueur also examines the growth of authoritarian nationalism in Russia and the de facto renewal of the Cold War with the West Offering fascinating insights into a range of themes across the period this book is valuable reading for all those interested in twentieth century European Russian and Jewish history

**Whittling for Beginners Handbook** Stephen Fleming, 2020-06-26 Whittling for me is more than just an art It is like meditation and rather therapeutical Every single time you create something it brings you the delight and also the happiness that meets your mind and soul This is the reply I got

from an old practitioner when I asked him how do you interpret Whittling Then I realized the core idea behind this craft It comes with no deadline no pre written script no rules and just pure expression of your emotions through a knife and a piece of wood In the present times when all the self help gurus are talking about Digital Detox Whittling comes as a strong contender to pass on to the young and the old alike My Journey in Whittling My wife introduced me to the world of Whittling 5 years ago As I was already into Leather craft and Pyrography I got the basics quickly But reaching the intermediate level in any art requires practice and patience It has been an incredible journey for the last few years working alongside her on various Whittling projects About the Book This book is like a friend sharing his experiences and taking you from point A to B in your Whittling journey The examples and references are real and taken out of the conversations with various experienced Whittlers The book covers Introduction History of Whittling how it started and became part of popular culture Wood All about the type of wood grains and tips for starting Tools All about pocket and carving knives Techniques All type of cuts Safety Gloves Thumb pads duct tape and other innovative options Starter projects with photos and step by step instructions Frequently asked questions 22 beginner questions as answered by experts Multiple solutions to a single problem List of online resources for patterns I have included realistic photographs discussions tips FAQs which I have received along the way of my journey in Whittling over the years Still on the fence Okay let me explain to you the difference between Wood Carving and Whittling Whittling is like an unplanned vacation go with the flow and Wood Craving is like planning a vacation through a tour operator And lastly my favorite analogy When I was struggling to understand the concept of wood grain initially one old time whittler told me Think of the grain like petting a cat When you pet it head to tail the fur all lies down and the cat purrs If you try to go from tail to head it spikes up and the cat gets very angry Keep the cat happy So what are you waiting for get the book now and start your Whittling Journey
