This Program Is Brought to You By... Joshua A. Braun, 2015-11-24 Journalism television cable and online media are all evolving rapidly At the nexus of these volatile industries is a growing group of individuals and firms whose job it is to develop and maintain online distribution channels for television news programming Their work and the tensions surrounding it provide a fulcrum from which to pry analytically at some of the largest shifts within our media landscape Based on fieldwork and interviews with different teams and organizations within MSNBC this multi disciplinary work is unique in its focus on distribution which is rapidly becoming as central as production to media work Going Wide: Self-Publishing Your Books Outside The Amazon Ecosystem M.K. Williams, The buzzy term in the self publishing space right now is wide I was doing this before it was a thing As more authors hear about the benefits of self publishing on multiple platforms I find myself on the receiving end of many panicked emails While the concept is straightforward to understand its execution requires careful planning and patience For those who want to get their book out to as many readers and retailers as possible I have the tools you need to create a plan I ve condensed my years of experience and best advice into this concise and actionable book to help you transition from Amazon Only to a Wide Author This book will cover strategy platforms opting out of exclusivity and marketing for success Get your free planners throughout the book to help you make and stick to your plan Ready to go wide
