Department of Bibliography, 1980 **Antiquarian Bookman**, 1956 Film & Video Catalog, 1988 Rolling Prairie Library System (Decatur, Ill.), 1988 Future Histories Lizzie O'Shea, 2021-08-17 A highly engaging tour through progressive history in the service of emancipating our digital tomorrow. Shortlisted for the Victorian Premier's Literary Award, Australia. When we talk about technology, we always talk about tomorrow and the future, which makes it hard to figure out how to even get there. In *Future Histories*, public interest lawyer and digital specialist Lizzie O'Shea argues that we need to stop looking forward and start looking backwards. Weaving together histories of computing and progressive social movements with modern theories of the mind, society, and self, O'Shea constructs a usable past that can help us determine our digital future. What she asks: can the Paris Commune tell us about earlier experiments in sharing resources like the Internet in common? How can Frantz Fanon's theories of anti-colonial self-determination help us build a digital world in which everyone can participate equally? Can debates over equal digital access be helped by American revolutionary Tom Paine's theories of democratic economic redistribution? What can indigenous land struggles teach us about

stewarding our digital climate And how is Elon Musk not a future visionary but a steampunk throwback to Victorian era technological utopians In engaging sparkling prose O Shea shows us how very human our understanding of technology is and how when we draw on the resources of the past we can see the potential for struggle for liberation for art and poetry in our technological present Future Histories is for all of us makers coders hacktivists Facebook users self styled Luddites who find ourselves in a brave new world *The Publishers Weekly* ,2004 **Video Source Book** ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction Guide to Microforms in Print ,1995 *Videhound's Golden Movie Retriever* Jim Craddock,2006 Describes and rates more than twenty thousand videos and provides indexes by theme awards actors actresses and directors *Paperbound Books in Print* ,1991 **Who's Who in America** Marquis Who's Who, Inc,2002
