John McTernan,2005-05 **Only Jesus Of Nazareth Can Be Israel's King Messiah** , I Could Take His Punch John P.
McTernan,2012-06 This book captures the legend of Joe McTernan He was a legendary figure to his family and all that knew him When reading this book you will be amazed astonished and laughing about his adventures and exploits He almost seems like a character out of a novel but all his exploits are true He possessed incredible strength an unbelievable appetite along with an indomitable will He could defeat professionally trained fighters and walk up to wild deer and touch them He was an expert with horses and a marksman with a rifle He overcame accidents and sicknesses that few if any people could and yet lived to 95 His encounter with Jesus Christ at the very end of his life was a true miracle by all who witnessed it He was supposed to die but instead came out of a catatonic state praising Jesus as his Savior He could not breathe yet with supernatural power was proclaiming Jesus He was a beacon of God s love to all that came close to him I Can Take His Punch is uniquely inspirational and a most enjoyable read It is a book that you cannot put down and a story you will never forget John P McTernan is the founder of Defend and Proclaim the Faith Ministry He has written eight books including his best seller As America Has Done to Israel He has spoken on hundreds of radio and TV shows defending Israel in light of Bible prophecy He cofounded International Cops for Christ and Blessing Israeli Believers He has a BS from Virginia Commonwealth University and a honorary PhD from Calvary Christian College He served for 26 years as a federal agent for the US Treasury Department He has four children and five grandchildren **As America Has Done to Israel** John P.
McTernan,2008-03-04 Is America on a Collision Course with God There is a direct correlation between the alarming number of massive disasters striking America and her leaders pressuring Israel to surrender her land for peace Costing hundreds of lives and causing hundreds of billions of dollars worth of damage dozens of disasters have hit America and always within twenty four hours of putting pressure on Israel These disasters have included earthquakes raging fires hurricanes floods tsunamis and tornadoes What can you do as an individual and what can America do to change the direction of our country in relation to Israel and prevent the increasing number of calamities Christ's Second Coming: will it be pre-millennial?

New Testament Commentary , *The Hebrew Christian Alliance Quarterly* , 1919 Walking with the Full Assurance of Understanding Sterling Merritt Durgy, 2019-10-23 Walking with the Full Assurance of Understanding has been written to provide Christians who are serious about their faith what Paul called the wealth that comes from the full assurance of understanding In its pages readers will find the central truths logic and promise of Christianity necessary for a confident stable and fruitful walk with God No one knew better than John Wesley that it is one thing to know Scripture quite another to understand it Even as a missionary to Georgia well schooled in the faith by a clergyman father a devout mother and his studies at Oxford Wesley remained unaware of the full meaning of Scripture It was understanding that unlocked the power of God s work in his life Given the multitude of negative influences both from secular culture and within the Christian community there has never been a greater need to avoid the false teachings of philosophy popular but mistaken beliefs and poor assumptions The information and insights presented here will enable twenty first century Christians to avoid being carried about by every wind of doctrine by understanding the treasure they have in God Jesus Christ and the Scriptures

Watch Therefore and Be Ready! Dov Schwarz, 2018-05-03 Messiah Jesus instructs His disciples to watch therefore and be ready because we do not know the hour or the day of His coming He gives parables of the faithful and wicked servants that are tragically too often neglected and desperately needed right now Watch Therefore and Be Ready raises awareness of the Lords covenants as they relate to His prophetic plans The signs He spoke of are all around us like never before We should watch therefore and be ready Do you know that the Lord made specific promises to His people that the Lord has a successful way forward for each of His children in this unique generation the reasons this generation is different than any other that it is not difficult to understand the signs of the times how to be ready for the imminent coming of the Messiah Jesus The Lord

calls His people to victory Watch Therefore and Be Ready teaches us very specific and guaranteed steps to live victoriously in this hour just before His imminent return for His people *Application Commentary of the Gospel of Matthew* John M.
