Snyder, 2003-08-30 Includes statistics **Famine in North Korea** Stephan Haggard, Marcus Noland, 2009-06-22 In the mid 1990s as many as one million North Koreans died in one of the worst famines of the twentieth century Stephan Haggard and Marcus Noland present the most comprehensive and penetrating account of the famine to date examining not only the origins and aftermath of the crisis but also the regime's response to outside aid and the effect of its current policies on the country's economic future North Korea's famine exemplified the depredations that can arise from tyrannical rule and the dilemmas such regimes pose for the humanitarian community To reveal the state's culpability is a vital project of historical recovery especially in light of our current engagement with the North Korean question *North Korea's Foreign Policy under Kim Jong Il* Seung-Ho Joo, 2016-12-05 The Democratic People's Republic of Korea North Korea joined the rank of nuclear powers in October 2006 after exploding its first nuclear device The test was not fully successful yet it unequivocally demonstrated North Korea's nuclear weapons capability North Korea under the leadership of Kim Jong il remains as unpredictable and mysterious as ever This comprehensive study brings together leading scholars in the field to examine the country's current foreign policy under Kim Jong il as well as its bilateral relations with the USA China Russia Japan and South Korea **The Korean Peace Process and Civil Society** Dong Jin Kim, 2018-09-21 This is a must read book for anyone searching for insight into the peace process of the divided Korean peninsula As a peace researcher and activist the author highlights the role of civil society in making peacebuilding possible and sustainable on the Korean peninsula This volume opens a new horizon to the study of peace and conflict Koo Kab Woo Professor University of North Korean Studies This book makes an enormous contribution to our understanding of the dynamics of peace and conflict on the Korean peninsula and expands our understanding of the requirements of sustainable peacebuilding The emphasis on the role of civil society as part of an inclusive approach to strategic peacebuilding is especially helpful Iain Atack Assistant Professor in International Peace Studies Trinity College Dublin This expertly crafted book makes an original contribution to understanding peacebuilding theory and the critical role of civil society in strategic peacebuilding It offers valuable lessons and hope for peaceful transformation of the Korean conflict as well as the negotiation of a sustainable peace in other protracted conflict settings Wendy Lambourne Senior Lecturer Department of Peace and Conflict Studies University of Sydney The Post Cold War era witnessed a dramatic rise in breakthroughs for peace processes including the Korean peninsula between parties mired in protracted conflict However many such processes broke down within a short period of time This book explores the possibilities for comprehensive and sustainable peacebuilding strategy in the Korean peace process beyond reaching an agreement by reviewing diverse peacebuilding activities from government and civil society **A Concise History of Korea** Michael J. Seth, 2019-11-19 This clear concise book provides a balanced history of Korea exploring the origins and development of Korean society politics and

culture from their inception to the two Korean states of today **North Korea under Kim Jong Il** Sung Chull Kim, 2012-02-16 North Korea has long been a country of mystique both provoking two nuclear crises and receiving aid from the international community and South Korea in more recent times North Korea under Kim Jong Il examines how internal changes in North Korea since the early 1970s have structured that nation's apparently provocative nuclear diplomacy and recent economic reform measures To understand these changes author Sung Chull Kim uncovers relatively unknown internal aspects of the country under Kim Jong Il's leadership His account based on a thorough examination of primary sources traces the origins consolidation and dissonance of North Korea's systemic identity He reveals how official and unofficial developments in the domains of North Korea's politics ideology economics and intellectual cultural affairs have brought about system wide duality particularly between socialist principles embedded in the official ideology and economic institutions A Concise History of Modern Korea Michael J. Seth, 2019-11-29 A comprehensive history of modern Korea exploring the social economic and political issues it has faced since the 1870s *North Korea's Second Nuclear Crisis and Northeast Asian Security* Tae-Hwan Kwak, 2016-05-23 North Korea's testing of a nuclear bomb sent out a shock wave throughout the world and totally changed the strategic equation in the Korean peninsula and Northeast Asia This testing has far reaching implications for Korean peace and unification Northeast Asian security and America's global war on terrorism This key volume provides an in depth analysis of the inter Korean and international dynamics of North Korea's nuclear crisis It offers new insights into the six party talks designed to resolve the crisis suggests creative formulas to resolve the ongoing crisis through peaceful diplomatic means and delves into the interests and policies of the major powers the US China Japan and Russia at the six party negotiating table The contributing authors are distinguished specialists and experts in the field and as such offer valuable expertise into the dynamics of this nuclear crisis for students and academics *Non-Traditional Security Issues in North Korea* Kyung-Ae Park, 2013-07-31 The concept of security has undergone significant change in the past few decades Traditionally thought of in terms of the state centric militarily focused realist discourse the concept of security has been broadened to include a greater number of potential threats and an increased number of relevant actors Yet despite the great changes in security scholarship the vast majority of studies on North Korea continue to focus primarily on the country's nuclear weapons program its military and other traditional security issues surrounding Pyongyang While North Korea captures headlines with its aggressive behavior and growing nuclear arsenal the ground level threats to average everyday North Koreans go largely unnoticed This groundbreaking volume seeks to refocus research on North Korean security from the traditional to largely unexplored non traditional security NTS issues In the wake of political succession to Kim Jung Un the issue of non traditional security is increasingly important From the lasting effects of the famine of the 1990s to continued food shortages and the growing marketization of North Korean society the Pyongyang regime is facing diverse and unprecedented challenges This book offers cutting edge analyses of emerging North Korean NTS issues by the world's

leading specialists in the field It looks at these issues and their effects at the local regional and international level as well as examining the international community s efforts to promote an NTS approach to North Korea More specifically the volume addresses the traditional and non traditional security paradigms energy security gender security transnational organized crime the internal and external dimensions of North Korea s food security the Responsibility to Protect refugee issues and international law and the role of NGOs in promoting NTS in North Korea As the global community begins to move toward a more people centered approach to security and foreign policy work such as that presented in this thought provoking volume will be increasingly vital to scholars policymakers and interested citizens Contributors Tsuneo Akaha Peter Hayes Brendan Howe W Randall Ireson David C Kang Shin wha Lee Mark Manyin Kyung Ae Park Scott Snyder Jae Jung Suh David von Hippel

A History of Korea Michael J. Seth, 2010-10-16 In this comprehensive yet compact book Michael J Seth surveys Korean history from Neolithic times to the present He explores the origins and development of Korean society politics and its still little known cultural heritage from their inception to the two Korean states of today Telling the remarkable story of the origins and evolution of a society that borrowed and adopted from abroad Seth describes how various tribal peoples in the peninsula came together to form one of the world s most distinctive communities He shows how this ancient culturally and ethnically homogeneous society was wrenched into the world of late nineteenth century imperialism fell victim to Japanese expansionism and then became arbitrarily divided into two opposed halves North and South after World War II Tracing the past seven decades the book explains how the two Koreas with their deeply different political and social systems and geopolitical orientations evolved into sharply contrasting societies South Korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive economy a democratic political system and a cosmopolitan and dynamic culture North Korea by contrast became one of the world s most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population Seth describes and analyzes the radically different and historically unprecedented trajectories of the two Koreas formerly one tight knit society Throughout he adds a rich dimension by placing Korean history into broader global perspective and by including primary readings from each era All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and concise book

Dying for Rights Sandra Fahy, 2019-09-10 North Korea's human rights violations are unparalleled in the contemporary world In *Dying for Rights* Sandra Fahy provides the definitive account of the abuses committed by the North Korean state domestically and internationally from its founding to the present *Dying for Rights* scrutinizes North Korea's treatment of its own people as well as foreign nationals how violations committed by the state spread into the international realm and how North Korea uses its state media and presence at the United Nations Fahy meticulously documents the extent of arbitrary detention torture executions and the network of prison camps throughout the country The book details systematic and widespread violations of freedom of speech and of movement freedom from discrimination and the rights to food and to life Fahy weaves together public and private testimonies from North Koreans resettled abroad as well as NGO reports the stories and facts brought to light by the United Nations Commission of Inquiry into North Korea and North Korea's own state media to share powerful personal narratives of human rights abuses A compassionate yet objective investigation into the factors that sustain and perpetuate the flouting of basic rights *Dying for Rights* reveals the profound culpability of the North Korean state in the systematic denial of human dignity

Conflict Prevention and Management in Northeast Asia Alec Forss, Sofia Ledberg, Niklas Swanström, 2010-03-08 Two of the world's most dangerous flashpoints this edited volume with contributions by leading scholars offers a comprehensive evaluation and comparison of approaches to conflict management and prevention on the Korean Peninsula and in the Taiwan Strait The consequences of any escalation of these two conflicts and the difficulties in resolving them necessitate a fresh look at designing new strategies to prevent and contain conflict as well as highlighting the limitations of existing measures Presenting both a theoretical and practical examination of conflict prevention and management the volume provides a comparative analysis of the Korean Peninsula and the Taiwan Strait identifying lessons that could be transferred between the

two cases but also the obstacles to this. The experiences of other regions and the role of third parties are also examined. This is a valuable addition to the literature for students of peace and conflict studies as well as policy makers with an interest in Northeast Asia.

Towards Korean Reconciliation Gabriel Jonsson, 2017-11-30. Despite historic summits and spectacular acts of reconciliation between the rival neighbours, promises of improved cross border relations between North and South Korea have been slow to materialize. In this insightful book, Gabriel Jonsson examines the impact that increased levels of socio-cultural contact has had on inter-Korean relations, the concrete results that have been achieved and how such contact has contributed to closer relations and offers the prospect of reconciliation. With reference to lessons from the German and Yemeni unification, the book examines the development of inter-Korean relations and presents a fascinating view of South Korean perceptions of their neighbours. The book also details the wider political sphere of influence with an analysis of the positions of the United States, Japan, China and Russia on Korean unity. Based primarily on Korean language sources, this volume provides completely unique perspectives on Korean unity.

South Korea at the Crossroads Scott A. Snyder, 2018-01-02. Against the backdrop of China's mounting influence and North Korea's growing nuclear capability and expanding missile arsenal, South Korea faces a set of strategic choices that will shape its economic prospects and national security. In *South Korea at the Crossroads*, Scott A. Snyder examines the trajectory of fifty years of South Korean foreign policy and offers predictions and a prescription for the future. Pairing a historical perspective with a shrewd understanding of today's political landscape, Snyder contends that South Korea's best strategy remains investing in a robust alliance with the United States. Snyder begins with South Korea's effort in the 1960s to offset the risk of abandonment by the United States during the Vietnam War and the subsequent crisis in the alliance during the 1970s. A series of shifts in South Korean foreign relations followed: the Nordpolitik engagement with the Soviet Union and China at the end of the Cold War; Kim Dae Jung's Sunshine Policy designed to bring North Korea into the international community; trustpolitik which sought to foster diplomacy with North Korea and Japan; and changes in South Korea's relationship with the United States. Despite its rise as a leader in international financial development and climate change forums, South Korea will likely still require the commitment of the United States to guarantee its security. Although China is a tempting option, Snyder argues that only the United States is both credible and capable in this role. South Korea remains vulnerable relative to other regional powers in northeast Asia despite its rising profile as a middle power and it must balance the contradiction of desirable autonomy and necessary alliance.

Transition beyond Denuclearisation Chan Young Bang, 2020-05-30. This book seeks to go beyond conventional literature on the North Korean nuclear issue by examining the chances of survival of the Kim Jong Un regime both with and without the nuclear weapons program. It offers a detailed historical background of the dysfunctional North Korean economy, explores the contemporary socioeconomic condition of the country, examines the failures of the Six party Talks and other attempts at negotiations with North Korea and

outlines a blueprint for the survival of the regime through rapid economic modernization to be put forward by the five stakeholder nations in exchange for dismantlement of the nuclear weapons program **The Making of Modern Korea**

Adrian Buzo, 2016-09-13 This fully updated third edition of *The Making of Modern Korea* provides a thorough balanced and engaging history of Korea from 1876 to the present day The text is unique in analysing domestic developments in the two Koreas in the wider context of regional and international affairs Key features of the book include Comprehensive coverage of Korean history Expanded coverage of social and cultural affairs A new chapter covering the end of the Choson Dynasty in the context of Japanese imperialist expansionism Up to date analysis of important contemporary developments in both Koreas including assessments of the Kim Jong Il and Kim Jong Un administrations and the North's nuclear weapons program Comparative focus on North and South Korea An examination of Korea within its regional context A detailed chronology and suggestions for further reading *The Making of Modern Korea* is a valuable one volume resource for students of modern Korean history international politics and Asian Studies *Korean Security in a Changing East Asia* Terence Roehrig, Jungmin Seo, Uk Heo, 2007-08-30 Since its partition in the 1950s the Korean peninsula has directly or indirectly shaped the broader security relations between regional powerhouses and the recent test of a nuclear weapon by the North Korean regime has heightened tensions across the world This study draws upon contributions from a diverse array of experts who offer their perspectives on the region's complex network of alliances and hostilities The authors discuss the future of the region the potential for military conflict and a new arms race and the ways to maintain peace and stability Since its partition in the 1950s the Korean peninsula has directly or indirectly shaped the broader security relations between regional powerhouses while the recent test of a nuclear weapon by the North Korean regime has heightened tensions across the world Japan feeling increasingly threatened by the North Korean regime and China's extravagant military expenditures has begun questioning Article IX in its Constitution that renounces war and the maintenance of armed forces Its neighbors still haunted by Japanese atrocities during World War II are fearful of a new nuclear arms race in the region The United States for its part has adopted unprecedented hard line policies in response to 9 11 going so far as to condemn North Korea as part of an axis of evil It has strengthened its alliance with Japan and alienated its long time strategic partner South Korea Add to this the economic entanglements of each of these countries both with each other and with the rest of the world and the regional security issues become even more paramount This study makes sense of these complex alliances and frictions and offers an array of perspectives on the future of the region the potential for military conflict and a new arms race and the ways to maintain peace and stability Topics include big power rivalries South Korea's sunshine policy anti Americanism and emerging nationalisms
