**Dead Man's Wake** Paul Doiron,2023-06-27 Game Warden Mike Bowditch s engagement party is interrupted by the discovery of a gruesome double murder in Dead Man s Wake a thriller from Edgar Award nominated author Paul Doiron On the evening of their engagement party Maine Game Warden Investigator Mike Bowditch and Stacey Stevens witness what seems to be a hit and run speedboat crash on a darkened lake When they arrive at the scene their spotlight reveals a gruesome sight a severed arm floating just beneath the surface As day breaks the warden dive team recovers not one but two naked corpses a dismembered man and the married woman with whom he was having an affair Mike begins to suspect the swimmers deaths were not a senseless accident but a coldly calculated murder Meanwhile the hunt is on for the mysterious boater Suspects abound on the lake nicknamed Golden Pond including the violent biker husband of the murdered woman who may have taken vengeance on his wife and her paramour a strange woman who claims to have witnessed the crash but then changes her story a very aggressive realtor and his wife who were determined to catch trespassers and the lake s earnest young constable whose eagerness to help may hide darker motives Alone among his fellow officers Mike starts to sense the involvement of a trained marksman smarter and more dangerous than any enemy he has ever faced before As Mike and Stacey get closer to identifying the killer their own lives are suddenly on the line as they confront a lethal killer who plans to silence them forever The finale is a tour de force of drama and suspense *Home Sweet Home* Brian

Braithwaite,1992 Drawing on some of the articles and advertisements which appeared in Good Housekeeping magazine between 1922 and 1939 this book paints a picture of home life and the work involved in maintaining a household at that time It charts the revolution which took place in the Twenties as young women deprived of the servants their mother had enjoyed rebelled against monotonous household chores and demanded new labour saving gadgets Many of the articles were written by leading writers such as Vera Brittain Rebecca West and Evelyn Waugh The advertisements tell just as fascinating a tale as the editorial pages with brave new inventions such as the Hoover vacuum cleaner or Radiation gas fire Country Life in

Sugar and Sweets ,2015-04-01 A sweet tooth is a powerful thing Babies everywhere seem to smile when tasting sweetness for the first time a trait inherited perhaps from our ancestors who foraged for sweet foods that were generally safer to eat than their bitter counterparts But the science of sweet is only the beginning of a fascinating story because it is not basic human need or simple biological impulse that prompts us to decorate elaborate wedding cakes scoop ice cream into a cone or drop sugar cubes into coffee These are matters of culture and aesthetics of history and society and we might ask many other

questions Why do sweets feature so prominently in children s literature When was sugar called a spice And how did chocolate evolve from an ancient drink to a modern candy bar The Oxford Companion to Sugar and Sweets explores these questions and more through the collective knowledge of 265 expert contributors from food historians to chemists restaurateurs to cookbook writers neuroscientists to pastry chefs The Companion takes readers around the globe and throughout time affording glimpses deep into the brain as well as stratospheric flights into the world of sugar crafted fantasies More than just a compendium of pastries candies ices preserves and confections this reference work reveals how the human proclivity for sweet has brought richness to our language our art and of course our gastronomy In nearly 600 entries beginning with la mode and ending with the Italian trifle known as zuppa inglese the Companion traces sugar s journey from a rare luxury to a ubiquitous commodity In between readers will learn about numerous sweeteners as well known as agave nectar and as obscure as castoreum or beaver extract the evolution of the dessert course the production of chocolate and the neurological psychological and cultural responses to sweetness The Companion also delves into the darker side of sugar from its ties to colonialism and slavery to its addictive qualities Celebrating sugar while acknowledging its complex history The Oxford Companion to Sugar and Sweets is the definitive guide to one of humankind s greatest sources of pleasure Like kids in a candy shop fans of sugar and aren t we all will enjoy perusing the wondrous variety to be found in this volume     Keith's Beautiful Homes Magazine ,1914     **House & Garden** ,1918     *The Union Pacific Magazine* ,1931
