**Constantine and the Council of Nicaea** David E. Henderson, Frank Kirkpatrick, 2016-10-25 Constantine and the Council of Nicaea plunges students into the theological debates confronting early Christian church leaders Emperor Constantine has sanctioned Christianity as a legitimate religion within the Roman Empire but discovers that Christians do not agree on fundamental aspects of their beliefs Some have resorted to violence battling over which group has the correct theology Constantine has invited all of the bishops of the church to attend a great church council to be held in Nicaea hoping to settle these problems and others The first order of business is to agree on a core theology of the church to which Christians must subscribe if they are to hold to the true faith Some will attempt to use the creed to exclude their enemies from the church If they succeed Constantine may fail to achieve his goal of unity in both empire and church The outcome of this conference will shape the future of Christianity for millennia Free supplementary materials for this textbook are available at the Reacting to the Past website Visit <https://reacting.barnard.edu/instructor/resources> click on the RTTP Game Library link and create a free account to download what is available

### **Birth, Criminal History and Judgment of the Roman**

**C. Church** Luis Munoz, 2013-08-16 This book uses history and the Bible to offer a fresh and scriptural interpretation of passages of the Bible which for centuries remained a mystery to the student of Bible prophecy including Mystery Babylon the great the mother of harlots and of the abomination of the earth I will explore the myths and deception of Roman Catholicism and their direct connection with the idolatrous worship system of the Mother and Child of ancient Babylon The claims that Roman Catholicism is the only true Church of Christ on Earth and the claim that man can't find salvation apart from her is the greatest deception the world has ever known Centuries of moral crisis and sexual abuse of children speak volumes about the true nature of the leaders of the Catholic Church The abhorrence of marriage and the negative view of women recorded in the Canon Laws clearly reflect the Vatican's Gnostic belief on sexual intercourse and the imposition of celibacy Many people throughout the world equate Christianity with everything that is vile contemptible and depraved For centuries the Roman C Church suppressed basic human rights and also persecuted and murdered anyone who held beliefs which conflicted with the dogma of the church During the horrors of the Inquisition tens of thousands of people were tortured dismembered beaten and burned alive all in the name of a fraudulent faith Roman Catholicism is the false representation of truth and also the cause great many people throughout history have repudiated true Christianity The history of crimes the papacy has committed throughout history is so compelling that it would inevitably lead any objective thinker to the conclusion that throughout the history of the world there hasn't been any other organization as notorious as the Roman C Church The long history of cruelty crimes and immorality that for centuries the church of Judas has committed on every generation provides irrefutable proof that she is not of God *International Human Rights Law Enforcement: THE INCONGRUOUS VOICES THAT PREVAIL* MacDonald I J Mopho, 2023-09-06

It is to everyone's benefit for us to have a world of peace and for that reason we must individually seek to identify and confront whatever threatens the prospects of our continuous existence in peace irrespective of how far it might be from us at the time The rights enshrined in treaties as individual human rights in various covenants of the United Nations such as the International Covenant on Civil and Political Rights ICCPR 1966 and International Covenant on Economic Social and Cultural Rights ICESCR 1966 are meant to protect and secure people within the territories and governments of the States parties that rectified those covenants with the United Nations Most people today might have forgotten that just about 400 years ago the European nations fought a thirty years religious war 1618-1648 that ended with the treaty of Westphalia Consequently what is now manifesting as acts of gross human rights violations and crimes against humanity perpetrated by States that are democratic governments as well as States that are operating religious nationalism with a menace to the peace and security of the international committee is watched with passive interest by those who are yet to be affected Whether it is the United States leading NATO to invade and destroy Libya and render its citizens victims of gross human rights violations or Russia invading Ukraine in a war of intentional act of aggression and

human rights violations or the Taliban in Afghanistan stripping off the women and girls of Afghanistan of their human rights the threat to the International Community should be a matter of concern for all The United Nations Security Council and General Assembly have a responsibility to devise a means of attending to these threats under the provisions of its Charter

Visit to Nicaea is a search for truths and untruths in the Bible Originally written by unknown Jewish scribes in the Hebrew and Greek languages the Bible is the only source for many ancient and religious events Nicaea was a small town in the 4th century AD located near the Turkish city of znik about 80 miles SE of Constantinople and was the site where religious leaders convened in 325 CE to begin the process of creating the first Christian Bible The Bible was finally canonized in 419 AD and Christianity was declared to be the official religion of the empire Christianity at that time was only one of many religions that existed in the ancient world Unfortunately over time the early Bible would receive numerous changes and eventually morph into many versions resulting in a host of many beliefs and practices This book begins with a review and discussion of recent scientific discoveries about early earth and primitive life as compared to what is written in the Revised Standard Version of the Bible and then provides a summary of all the chapters of the Bible It tries to provide an understanding of the seemingly unswerving faith that many religious practitioners have in the infallibility and power in the Bible even though it has been shown to be seriously flawed This book also presents the results of numerous biblical experts throughout the world who have reviewed and commented on the validity of many ancient writings including a fascinating in depth look into the Bible
