around you Looking at ourselves and at the natural world around us we realise that everything is in constant change and flux like waves on the ocean they are all part of one thing that is made up of everything Even after the wave has crashed upon the shore the ocean is still there the wave is still there it has merely changed its form The aim of this text is to show how Zen teachings and Druidry can combine to create a peaceful life path that is completely and utterly dedicated to the here and now to the earth and her rhythms and to the flow that is life itself **Pagan Portals - The Inner-City Path** Melusine
