The Analogy of Ancient Craft Masonry to Natural and Revealed Religion Charles Scott, 1857 *Patristic Perspectives on Luke's Transfiguration* Peter Anthony, 2022-03-24 Peter Anthony explores how visionary elements in Luke's Gospel had a particular influence on early interpretation of the Transfiguration by examining the rich hermeneutical traditions that emerged particularly in the Latin West as the Transfiguration was first depicted visually in art Anthony begins by comparing the visual and visionary culture of antiquity with that of the present and their differing interpretations of the Transfiguration He then examines the Transfiguration texts in the synoptic gospels and their interpretation in modern scholarship and the reception of the Transfiguration in 2 Peter the Apocalypse of Peter and the Acts of Peter Tertullian and Origen Proceeding to look at interpretations found in the Greek East and the Latin West Anthony finally discusses the earliest visual depictions of the Transfiguration from the sixth century onward drawn from a wealth of different art forms Anthony concludes that early

Andrew D. Mayes,2021-10-18 In the shifting sands of today s uncertain world where traditional paradigms are fragmenting and everything seems in a state of flux the biblical mountains endure as unshakable and steadfast In their caves and canyons linger ancient voices that can startle us into new insights and awaken in us new ways of seeing the world and ourselves In this book we go on a quest to locate the ancient voices of those who actually lived in these mountains who knew both the physical contours and spiritual secrets of the summits and who long pondered their mysteries We will rediscover texts and fragments that have been long forgotten in the West The pandemic has filled the world with uncertainty and fear We will discover wisdom and insights that are strikingly relevant to this unfolding world crisis and that speak with an uncanny directness to our situation But the wisdom here is timeless and enduring and readers will benefit from these ancient voices in all generations and in all sorts of circumstances This book is not so much an anthology of forgotten voices as a sourcebook of spirituality and a guidebook for the spiritual adventure *An Interview with the Angel Gabriel* Rev. Jack Lister,2022-01-15

An Interview with the Angel Gabriel is an entertaining story about a young journalist Robert Parker transported to heaven by Angel Uriel While there Parker enjoys a tour of heaven lead by Angel Anafiel After his tour Angel Anafiel takes Robert to the Throne Room of Grace where they witness the Celebration of Praise before the Almighty God When the celebration is complete Robert sits down with the Great Messenger Angel Gabriel and conducts an interview Using the story line above as a method of teaching Rev Jack Lister takes the reader through the Bible teaching the great biblical subjects of angels heaven life after death the day of resurrection and many more As a Bible scholar and master storyteller Rev Lister weaves biblical truths with the entertaining story of Robert Parker and his angelic visitation In the story the angel Uriel tells Robert You will see things and experience things that will be strange to you Many of your preconceived ideas of heaven and angels will be shattered Some things you will find difficult to describe in human terms Some things will delight you some things will inspire you and some things will overwhelm you I promise you however when this trip is over you will not be the same person that you are right now You will see life in a completely different way For you Robert Parker when this trip is complete old things will pass away and everything will become new That is our hope as you read this wonderful story and learn directly from God
