

Movement and meaning

...participants described how they gave or wanted to give time and space to allow, as yet unknown, possibilities to emerge. The motivation to do nothing, which may seem like a contradiction in terms, appears in this context to become an active and valued empty space where ideas might arise.

Globalizing Knowledge Michael D. Kennedy, 2014-12-10 Heralding a push for higher education to adopt a more global perspective the term globalizing knowledge is today a popular catchphrase among academics and their circles The complications and consequences of this desire for greater worldliness however are rarely considered critically In this groundbreaking cultural political sociology of knowledge and change Michael D Kennedy rearticulates questions approaches and case studies to clarify intellectuals and institutions responsibilities in a world defined by transformation and crisis *Globalizing Knowledge* introduces the stakes of globalizing knowledge before examining how intellectuals and their institutions and networks shape and are shaped by globalization and world historical events from 2001 through the uprisings of 2011-13 But Kennedy is not only concerned with elaborating how wisdom is maintained and transmitted he also asks how we can recognize both interconnectedness and inequalities and possibilities for more knowledgeable change within and beyond academic circles Subsequent chapters are

devoted to issues of public engagement the importance of recognizing difference and the local s implication in the global and the specific ways in which knowledge images and symbols are shared globally Kennedy considers numerous case studies from historical happenings in Poland Kosova Ukraine and Afghanistan to today s energy crisis Pussy Riot the Occupy Movement and beyond to illuminate how knowledge functions and might be used to affect good in the world Amazonian Linguistics Doris L. Payne, 2014-06-23 Lowland South American languages have been among the least studied in the world Consequently their previous contribution to linguistic theory and language universals has been small However as this volume demonstrates tremendous diversity and significance are found in the languages of this region These nineteen essays originally presented at a conference on Amazonian languages held at the University of Oregon offer new information on the Tupian Cariban Jivaroan Nambiquaran Arawakan Tucanoan and Makuan languages and new analyses of previously recalcitrant Tup Guaran verb agreement systems The studies are descriptive but typological and theoretical implications are consistently considered Authors invariably indicate where previous claims must be adjusted based on the new information presented This is true in the areas of nonlinear phonological theory verb agreement systems and ergativity grammatical relations and incorporation and the uniqueness of Amazonian noun classification systems The studies also contribute to the now extensive interest in grammatical change **Gilles Deleuze** Paola Marrati, 2008-05-07 2008 Outstanding Academic Title Choice Magazine In recent years the recognition of Gilles Deleuze as one of the major philosophers of the twentieth century has heightened attention to his brilliant and complex writings on film What is the place of Cinema 1 and Cinema 2 in the corpus of his philosophy How and why does Deleuze consider cinema as a singular object of philosophical attention a specific mode of thought How does his philosophy of film combine and further his approaches to time movement and perception and how does it produce an escape from subjectivity and a plunge into the immanence of images How does it recode and utilize Henri Bergson s thought and Andr Bazin s film theory What does it tell us about perceiving a world in images indeed about our relation to the world These are the central questions addressed in Paola Marrati s powerful and clear elucidation of Deleuze s philosophy of film Humanities film studies and social science scholars will find this book a valuable contribution to the philosophical literature on cinema and its pertinence in contemporary life
