Moving From The Margins A Chicana Voice On Public Policy:

Moving from the Margins Adela de la Torre, 2002-02 Immigration reform Bilingual education Affirmative action Such issues trigger knee jerk reactions from many people and in California those reactions are likely to fall along strict ethnic lines A white majority has long called the shots in voter initiatives but with Mexican Americans becoming the majority population in southern California their views on these matters can no longer be ignored In *Moving from the Margins* an outspoken member of the Mexican American community explores issues that have molded politics over the past decade in a state where division seems more common than unity Addressing immigration education health care and economic and political concerns Adela de la Torre provides a distinctly Chicana perspective that often differs from that of mainstream readers and voters Drawn from the author's syndicated column in the Los Angeles Times along with writings from other publications *Moving from the Margins* includes incisive and often provocative commentaries that provide insights into the roots of ethnic tensions in the Golden State The book also includes readers reactions to the articles creating a dialogue of ideas while confronting fears of what many Americans view as an alien culture Whether addressing entitlements granted to noncitizens the future of public schools or access to health care de la Torre challenges readers to move beyond their own frame of reference and consider new points of view The issues she faces have shaped today's California and they also lie at the heart of urban public policy in America for the twenty first century

Moving from the Margins Adela de la Torre, 2022-05-17 Immigration reform Bilingual education Affirmative action Such issues trigger knee jerk reactions from many people and in California those reactions are likely to fall along strict ethnic lines A white majority has long called the shots in voter initiatives but with Mexican Americans becoming the majority population in southern California their views on these matters can no longer be ignored In *Moving from the Margins* an outspoken member of the Mexican American community explores issues that have molded politics over the past decade in a state where division seems more common than unity Addressing immigration education health care and economic and political concerns Adela de la Torre provides a distinctly Chicana perspective that often differs from that of mainstream readers and voters Drawn from the author's syndicated column in the Los Angeles Times along with writings from other publications *Moving from the Margins* includes incisive and often provocative commentaries that provide insights into the roots of ethnic tensions in the Golden State The book also includes readers reactions to the articles creating a dialogue of ideas while confronting fears of what many Americans view as an alien culture Whether addressing entitlements granted to noncitizens the future of public schools or access to health care de la Torre challenges readers to move beyond their own frame of reference and consider new points of view The issues she faces have shaped today's California and they also lie at the heart of urban public policy in America for the twenty first century

Latina Lives, Latina Narratives Miroslava Chávez-García, 2021-06-27 This book brings together the most influential and widely known writings of Vicki L Ruiz a leading voice in the fields of Chicana o Latina o women's and labor history For nearly

forty years Ruiz has produced scholarship that has provided the foundation for a rich and nuanced understanding of the ways in which Chicanas and Latinas negotiate the structures impinging on their everyday lives From challenging familial patriarchal cultural norms building interethnic social networks in the neighborhood and workplace and organizing labor unions to fighting gender and racial discrimination in the courts at work in the schools and on the streets Ruiz s studies have examined the countless struggles roadblocks and victories Chicanas and Latinas have faced in the twentieth century and beyond The articles in this book are organized chronologically to reflect the evolution of Ruiz s intellectual contributions as well as her commitment to integrating feminist history theory and methodology and show how she has generously offered insights reflections and humor in helping us define and shape who we are as mujeres Chicanas Latinas scholars teachers and mentors With its narrative flow and engaging prose Ruiz s scholarship connects with academic and public audiences and this collection fulfills a much needed demand in the teaching of women s Chicana o Latina o and labor history

Aztlán Arizona
Darius V. Echeverría, 2014-03-27 *Aztlán Arizona* is a history of the Chicano Movement in Arizona in the 1960s and 1970s Focusing on community and student activism in Phoenix and Tucson Darius V Echeverría ties the Arizona events to the larger Chicano and civil rights movements against the backdrop of broad societal shifts that occurred throughout the country Arizona s unique role in the movement came from its public schools which were the primary source of Chicano activism against the inequities in the judicial social economic medical political and educational arenas The word *Aztlán* originally meaning the legendary ancestral home of the Nahuatl peoples of Mesoamerica was adopted as a symbol of independence by Chicano activists during the movement of the 1960s and 1970s In an era when poverty prejudice and considerable oppositional forces blighted the lives of roughly one fifth of Arizonans the author argues that understanding those societal realities is essential to defining the rise and power of the Chicano Movement The book illustrates how Mexican American communities fostered a togetherness that ultimately modified larger Arizona society by revamping the educational history of the region The concluding chapter outlines key Mexican American individuals and organizations that became politically active in order to address Chicano educational concerns This Chicano unity reflected in student parent and community leadership organizations helped break barriers dispel the Mexican American inferiority concept and create educational change that benefited all Arizonans No other scholar has examined the emergence of Chicano Movement politics and its related school reform efforts in Arizona Echeverría s thorough research rich in scope and interpretation is coupled with detailed and exact endnotes The book helps readers understand the issues surrounding the Chicano Movement educational reform and ethnic identity Equally important the author shows how residual effects of these dynamics are still pertinent today in places such as Tucson

Mexicanos Manuel G. Gonzales, 2009-08-20 Newly revised and updated *Mexicanos* tells the rich and vibrant story of Mexicans in the United States Emerging from the ruins of Aztec civilization and from centuries of Spanish contact with indigenous people Mexican culture followed the Spanish colonial frontier northward and put its

distinctive mark on what became the southwestern United States Shaped by their Indian and Spanish ancestors deeply influenced by Catholicism and tempered by an often difficult existence Mexicans continue to play an important role in U S society even as the dominant Anglo culture strives to assimilate them Thorough and balanced Mexicanos makes a valuable contribution to the understanding of the Mexican population of the United States a growing minority who are a vital presence in 21st century America *The Case for Affirmative Action on Campus* Eboni M. Zamani-Gallaher, Denise O'Neil Green, David O. Stovall, M. Christopher Brown II, 2023-07-03 Marshalls the arguments for affirmative action Offers strategies for action Why is affirmative action under attack What were the policy s original purposes and have they been achieved What are the arguments being arrayed against it And for all stakeholders concerned about equity and diversity on campus what s the way forward politically legally and practically The authors explore the historical context the philosophical and legal foundations of affirmative action present contemporary attitudes to the issue on and off campus and uncover the tactics and arguments of its opponents They conclude by offering strategies to counter the erosion of affirmative action change the basis of the discourse and coordinate institutional support to foster inclusive college environments and multi ethnic campus communities This book analyzes the ideological and legal construction of colorblind legislation that has led to the de facto exclusion of people of color from institutions of higher education It addresses the role of the courts in affecting affirmative action in higher education as a workplace and place of study It documents the under representation of collegians of color and presents research on student opinion on race based policies at two and four year institutions It details the pervasiveness of the affirmative action debate across educational sectors and the status of race among myriad factors considered in college admissions Finally it considers affirmative action as a pipeline issue and in the light of educational policy Speaking from the Body Angie Chabram, Adela de la Torre, 2008-11-20 In compelling first person accounts Latinas speak freely about dealing with serious health episodes as patients family caregivers or friends They show how the complex interweaving of gender class and race impacts the health status of Latinas and how family spirituality and culture affect the experience of illness Here are stories of Latinas living with conditions common to many hypertension breast cancer obesity diabetes depression osteoarthritis rheumatoid arthritis dementia Parkinson s lupus and hyper hypothyroidism By bringing these narratives out from the shadows of private lives they demonstrate how such ailments form part of the larger whole of Latina lives that encompasses family community the medical profession and society They show how personal identity and community intersect to affect the interpretation of illness compliance with treatment and the utilization of allopathic medicine alternative therapies and traditional healing practices The book also includes a retrospective analysis of the narratives and a discussion of Latina health issues and policy recommendations These Latina cultural narratives illustrate important aspects of the social contexts and real world family relationships crucial to understanding illness Speaking from the Body is a trailblazing collection of personal testimonies that integrates professional and personal perspectives and shows that our understanding of

health remains incomplete if Latina cultural narratives are not included **Mexicanos, Third Edition** Manuel G. Gonzales, 2019-06-05 Responding to shifts in the political and economic experiences of Mexicans in America this newly revised and expanded edition of *Mexicanos* provides a relevant and contemporary consideration of this vibrant community Emerging from the ruins of Aztec civilization and from centuries of Spanish contact with indigenous people Mexican culture followed the Spanish colonial frontier northward and put its distinctive mark on what became the southwestern United States Shaped by their Indian and Spanish ancestors deeply influenced by Catholicism and often struggling to respond to political and economic precarity Mexicans play an important role in US society even as the dominant Anglo culture strives to assimilate them With new maps updated appendixes and a new chapter providing an up to date consideration of the immigration debate centered on Mexican communities in the US this new edition of *Mexicanos* provides a thorough and balanced contribution to understanding Mexicans history and their vital importance to 21st century America **Being Latino in Christ** Orlando Crespo, 2009-08-20 Exploring what the Bible says about ethnic identity and drawing on his own journey to self understanding Orlando Crespo helps you discover for yourself what it means to be Latino American and most importantly a disciple of Christ American Studies ,2002 **New Mexico Historical Review** Lansing Bartlett Bloom, Paul A. F. Walter, 2005 **U.C. Davis Law Review** University of California, Davis. School of Law, 2005 **Hispanic Link Weekly Report** ,2002 **America, History and Life** ,2006 Article abstracts and citations of reviews and dissertations covering the United States and Canada **SIROW** ,2002 **Political Science Quarterly** ,2002 A review devoted to the historical statistical and comparative study of politics economics and public law **American Book Publishing Record** ,2002 **Index to Black Periodicals 2003** GK Hall, 2004 This classic one volume reference work now indexes more than 35 journals both popular and scholarly representing the rich culture and current history of African Americans Among the topics treated in each edition of the annual Index are gender issues literature education business discrimination health care and the arts Interviews obituaries and book and drama reviews are also included The Index is international in scope including African countries and regions but its emphasis is on the extraordinary diversity of the African American experience Authors subjects and numerous cross references are combined in a single convenient alphabetical arrangement The Index formerly appeared under the titles Index to Periodical Articles By and About Blacks Index to Periodical Articles By and About Negroes and Index to Selected Periodicals By and About Negroes G K Hall published a ten year cumulation of the Index covering the years 1950 1959 and began publishing the Index on an annual basis in 1961 The volumes from 1961 forward were published in conjunction with The Hallie Q Brown Memorial Library at Central State University in Wilberforce Ohio The New York Public Library s Schomburg Collection of Negro Literature and History also participated during the years 1960 1970 In mid 1984 G K Hall assumed editorial responsibility for the Index Periodicals indexed include About Time African American Pulpit The African American Review Afro Americans in New York Life and
