Book Festival

K. David Brody

"This is a most fascinating story, literate, fast-paced and carefully plotted. A wonderful bildungsroman." — *Bryan Govett, former Senior Lecturer in English Literature, Ealing College of Higher Education (now Thames Valley University), UK*

Mourning And Celebration Jewish Orthodox And Gay Past And Present

Moshe Pearlman, Yaacov Yannai

Mourning And Celebration Jewish Orthodox And Gay Past And Present:

Mourning and Celebration K. David Brody, 2009 Have you ever wondered how life would have been had you been born one hundred years earlier Mourning and Celebration is how author K David Brody answers that question Yankl lives in a 19th century Polish shtetl And he s gay Within the framework of conversations with his alter ego who lives in a 19th century Polish shtetl the narrator learns how a gay Orthodox Jew like himself managed to emerge from the social pressures of his community Yankl is a brilliant scholar a talented violinist an only son and gay Although blessed with social skills he feels isolated as a young teenager Subsequently we follow his development through intense relationships with his family rabbis and lovers This is a story of a personal search for validation and human rights in a context where that concept was not yet understood

Queer Thriving in Religious Schools Seán Henry, 2024-04-23 This book offers an account of religious schooling committed to queer thriving and envisions how queer staff and students can live their lives without being accommodated within heteronormative religious traditions Engaging with queer theological perspectives across the Jewish Christian and Muslim traditions the book begins by situating queer thriving as a viable part of the work of the religious school and not just as something reserved for progressive education more broadly Taking three areas that are typically used to justify religious heteronormativity religious texts religious values religious rituals it engages queer theologies to showcase how an educational approach committed to queer thriving can be enacted in religious schools in ways that are also theologically sensitive The book then explores how religious school communities can navigate differences around queerness and religion in ways that are supportive of queer staff and students It takes desire as an everyday reality in classrooms and applies a queer lens to this to challenge heteronormativity and to imagine alternative modes of relationship between staff students and communities that enable queer staff and students to thrive Showcasing possibilities of resistance for the opposition between religious and queer concerns it will appeal to researchers postgraduates and academics in the fields of religion and education whilst also benefitting those working across philosophy of education and educational theory sex education sociology of education social justice education queer theologies religious studies and sociology of religion

Shtetl Jeffrey Shandler, 2014-01-15 In Yiddish shtetl simply means town How does such an unassuming word come to loom so large in modern Jewish culture with a proliferation of uses and connotations By examining the meaning of shtetl Jeffrey Shandler asks how Jewish life in provincial towns in Eastern Europe has become the subject of extensive creativity memory and scholarship from the early modern era in European history to the present In the post Holocaust era the shtetl looms large in public culture as the epitome of a bygone traditional Jewish communal life People now encounter the Jewish history of these towns through an array of cultural practices including fiction documentary photography film memoirs art heritage tourism and political activism At the same time the shtetl attracts growing scholarly interest as historians social scientists literary critics and others seek to understand both the complex reality of life in provincial towns and the nature of

its wide ranging remembrance Shtetl A Vernacular Intellectual History traces the trajectory of writing about these towns by Jews and non Jews residents and visitors researchers novelists memoirists journalists and others to demonstrate how the Yiddish word for town emerged as a key word in Jewish culture and studies Shandler proposes that the intellectual history of the shtetl is best approached as an exemplar of engaging Jewish vernacularity and that the variable nature of this engagement far from being a drawback is central to the subject s enduring interest

L'Homosexualité masculine au Québec Serge Fisette, 2021-10-12T00:00:00-04:00 L objectif de cet ouvrage est de brosse un tableau de l homosexualit masculine au Qu bec des d buts de la colonie aujourd hui Il y est question d v nements historiques d terminants de mouvements sociaux et de morale publique de descentes de police et d organismes communautaires de colloques et de conf rences des foudres de la censure du Front de lib ration homosexuel et du bill Omnibus Il y est question de cin ma litt rature danse bande dessin e th tre et arts visuels de r alisateurs crivains artistes danseurs et photographes dont les uvres se sont av r es marquantes Sans oublier des figures excentriques comme Armand Monroe et Mado Lamotte personnificateurs f minins hauts en couleur s il en est C est travers la parole crite notamment que l auteur retrace l histoire de cette grande oubli e qu est l homosexualit tant t en citant la pens e m me des historiens et des chercheurs en rapportant les propos qu ils ont tenus dans leurs essais articles ou travaux universitaires tant t en donnant lire des extraits de romans et de po sies La parole telle une source intarissable et bienfaisante laquelle puiser telle une mani re de rendre hommage tous ces pr curseurs tous ces pr d cesseurs qui avec empathie se sont pench s sur le sujet ou la question c est selon

The New American Judaism Jack Wertheimer, 2018-08-28 A leading expert provides an engaging firsthand portrait of American Judaism today American Judaism has been buffeted by massive social upheavals in recent decades Like other religions in the United States it has witnessed a decline in the number of participants over the past forty years and many who remain active struggle to reconcile their hallowed traditions with new perspectives from feminism and the LGBTQ movement to do it yourself religion and personally defined spirituality Taking a fresh look at American Judaism today Jack Wertheimer a leading authority on the subject sets out to discover how Jews of various orientations practice their religion in this radically altered landscape Which observances still resonate and which ones have been given new meaning What options are available for seekers or those dissatisfied with conventional forms of Judaism And how are synagogues responding Wertheimer provides new and often surprising answers to these questions by drawing on a wide range of sources including survey data visits to countless synagogues and revealing interviews with more than two hundred rabbis and other informed observers He finds that the majority of American Jews still identify with their faith but often practice it on their own terms Meanwhile gender barriers are loosening within religiously traditional communities while some of the most progressive sectors are reappropriating long discarded practices Other recent developments include start ups led by charismatic young rabbis the explosive growth of Orthodox outreach and unconventional worship experiences often geared toward millennials Wertheimer captures the

remarkable if at times jarring tableaux on display when American Jews practice their religion while also revealing possibilities for significant renewal in American Judaism What emerges is a quintessentially American story of rash disruption and creative reinvention religious illiteracy and dynamic experimentation Encyclopedia of Women in World Religions Susan de-Gaia,2018-11-16 This reference offers reliable knowledge about women s diverse faith practices throughout history and prehistory and across cultures Across the span of human history women have participated in world building and life sustaining cultural creativity making enormous contributions to religion and spirituality In the contemporary period women have achieved greater equality with more educational opportunities female role models in public life and opportunities for religious expression than ever before Contemporaneously with this increased visibility women are actively and energetically engaging with religion for themselves and for their communities Drawing on the expertise of a range of scholars this reference chronicles the religious experiences of women across time and cultures The book includes sections on major religions as well as on spirituality African religions prehistoric religions and other broad topics Each section begins with an introduction followed by reference entries on specialized subjects along with excerpts from primary source documents The entries provide numerous suggestions for further reading and the book closes with a detailed bibliography *The Economist* ,2007 **American Jewish Women's History** Pamela S. Nadell,2003-04-05 It gives me a secret pleasure to observe the fair character our family has in the place by Jews Christians Abigail Levy Franks wrote to her son from New York City in 1733 Abigail was part of a tiny community of Jews living in the new world In the centuries that followed as that community swelled to several millions women came to occupy diverse and changing roles American Jewish Women s History an anthology covering colonial times to the present illuminates that historical diversity It shows women shaping Judaism and their American Jewish communities as they engaged in volunteer activities and political crusades battled stereotypes and constructed relationships with their Christian neighbors It ranges from Rebecca Gratz s development of the Jewish Sunday School in Philadelphia in 1838 to protest the rising prices of kosher meat at the turn of the century to the shaping of southern Jewish women s cultural identity through food There is currently no other reader conveying the breadth of the historical experiences of American Jewish women available The reader is divided into four sections complete with detailed introductions The contributors include Joyce Antler Joan Jacobs Brumberg Alice Kessler Harris Paula E Hyman Riv Ellen Prell and Jonathan D Sarna **Tikkun** ,1988 **The Jewish Spectator** ,1994 The Routledge Handbook of Judaism in the 21st Century Keren Eva Fraiman,Dean Phillip Bell,2023-03-01 The Routledge Handbook of Judaism in the 21st Century is a cutting edge volume that addresses central questions and issues animating Judaism Jewish identity and Jewish society in a global integrated and forward looking way It introduces readers to the complexity of Judaism as it has developed and continues to develop throughout the 21st century through the prism of three contemporary sets of issues identities and geographies structures and power and knowledge and performances Within these sections international contributors

examine central issues topics and debates including individual and collective identity globalization and localization Jewish demography diversity denominations and pluralism interreligious relations political orientations community organization family and gender the Bible and Talmud today Jewish philosophy and authority in Jewish thought digital Judaism antisemitism Jewish spirituality and rituals memory language religious education material culture literature music and art approaches to the environment and contemporary Zionism and Israel The handbook also includes an extensive bibliography to help orient readers to the most important and leading work in the field The Routledge Handbook of Judaism in the 21st Century is essential reading for students and researchers in religious studies and Jewish studies It will also be useful for those in related fields such as cultural studies literature sociology anthropology and history as well as Jewish professionals and lay leaders

The Routledge Companion to Religion and Film John Lyden, 2009-05-07 The Routledge Companion to Religion and Film brings together a lively and experienced team of contributors to investigate the ways in which this exciting discipline is developing

The Sketch ,1895 *The Advocate* ,2005-01-18 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

Jewish Relational Care A-Z Jack H Bloom, 2013-05-13 A collection of caregiving tools combining the values of Jewish tradition and self relations useful for practitioners of ANY faith Self relations a powerful framework for doing respectful and humane caregiving for oneself and for others is here brought into relationship with Jewish thought Jewish Relational Care A Z We Are Our Other s Keeper is an extensive resource for caregiving tools and approaches Using Jewish tradition and Self Relations as take off points experts from many fields provide insightful perspectives and effective strategies for caregiving In the language of self relations each of us is not referred to as a Self Instead each of us is more accurately described as a relationship between selves relationship is the basic psychological and religious unit Jewish Relational Care A Z We Are Our Other s Keeper sensitively centers on relationships and the healing process using the understanding that to spark healing in others a loving respectful relationship must first be present between every aspect of our selves Thirty six categories of caregiving are comprehensively presented allowing its use as a helpful resource for any clergy considering any of the included topics Each author s personal reflections and personal experiences using care tools clearly illustrate how love respect relationships within oneself can transcend into effective care for others Jewish Relational Care A Z We Are Our Other s Keeper provides helpful tools and explores the use of language as a relational care tool time management for optimum performance for oneself and for others compassion fatigue the need for self care and nurturing your own spiritual and psychological development purposeful visiting as a sacred task silence as an important part of spiritual care the profound difference made in lives through relational listening music as sacred power a communion between humans and the Divine chanting as an intimate expression of the soul creative ritual in relational healing spontaneous prayer and its place in relational care relational care with other faiths inside and outside of the community care for those going

through divorce care when a pregnancy is unwelcome relational care for sexual orientation and gender identity issues successful caring for those who don't care about you dealing with traumatic loss care for those who have sinned sexually fragile relationships care with the healthy aging relational care and retired clergy care for those traumatized by sexual abuse care for the cognitively impaired mentally ill and developmentally disabled care for the final moments of life care for the sick and dying care within the grieving process Jewish Relational Care A Z We Are Our Other's Keeper is practical insightful reading for clergy and caregivers of all denominations educators students and lay people who care about clergy and their work

Historical Sites in Israel Moshe Pearlman, Yaacov Yannai, 1978

Unrepentant, Self-Affirming, Practicing Gary David Comstock, 2002-06-14 Praise for Unrepentant For open minded religious leaders there are nuggets of enlightenment in this ecumenical array Publishers Weekly Surprisingly readable as well as informative San Francisco Chronicle A significant body of knowledge Theology Today Publishers catalogues are full of books on the church's view of homosexuality Comstock here offers gay views of the church Given the often hostile environment he asks why gay people stay in religious institutions Using social scientific methods he summarizes thirty six surveys of gay attitudes toward religious communities including Jewish Buddhist Muslim and Native American traditions He adds data from his survey of gay people in two mainline Protestant denominations Religious Studies Review Explores how each religion accepts half accepts or rejects gays and lesbians and how they themselves feel about their religion The book is also filled with personal stories of how spiritual people who discovered they are homosexual came out within their community and their congregation and how they feel about the central figures and tenets of their belief Gatherings With its succinct accessible language and rich collection of empirical research findings on lesbian gay peoples Unrepentant Self Affirming Practicing would be an excellent addition to academic libraries and could be appropriately used as well in an undergraduate religion or sociology classroom Journal for Scientific Study of Religion
