Study Guide

Section 1: Population Dynamics

In your textbook, read about population characteristics. Use each of the terms below only once to complete the passage.

carrying capacity
rate population density

density dependent
randomly

density independent
spatial distribution

growth

Some characteristics that all populations have include (1) population density, (2) spatial distribution, and (3) growth rate. Populations tend to be dispersed (4) randomly, uniformly, and in clumps. Populations also tend to stabilize near the (5) carrying capacity of their environment. Factors that limit populations are either (6) density dependent or (7) density independent.

In your textbook, read about population-limiting factors.

Complete the table by checking the correct column(s) for each description.
