Funding Source

☒ Operating ☐ Capital ☐ Federal ☐ Other:

## Narrative:

### I. PURPOSE/RECOMMENDATION

LIRR requests MTA Board approval to award a three-year sole source contract to EMCOM Systems Inc. ("EMCOM") in an amount not to exceed \$108,696 to provide Maintenance services and Software Updates for existing EMCOM Emergency Communications systems (Blue Light Phones) used in LIRR Atlantic Avenue tunnel.

### II. DISCUSSION

LIRR Operating Procedures and FRA Guidelines require regular inspection and maintenance of Emergency Communication Equipment in Tunnels. These systems (LIRR Atlantic Avenue Tunnel) include; Blue Light Emergency Telephone, Fire Alarm and 3<sup>rd</sup> Rail Power disconnect to LIRR Power Director and Transportation Tower Operators.

EMCOM Systems is the Original Equipment Manufacturer of: EMCOM System Maintenance Systems Station, Agent Station, Dialogic HMP, System Database and EmVista Central software which are all proprietary. These support services will include access to Vendor-supplied technical support services, system software modifications and software updates. EMCOM is the only known responsible source for these services. LIRR advertised its intent to award a sole-source contract to EMCOM and no other firm came forward offering equivalent products and services.

EMCOM provides maintenance for system and software maintenance and updates to MTA/NYCT at equally competitive prices per system. Accordingly, these prices have therefore been determined to be fair and reasonable.
