Multicultural and Ethnic Children's Literature in the United States Donna L. Gilton,2020-02-18 This edition of Multicultural and Ethnic Children s Literature in the United States addresses both quantitative and more qualitative changes in this field over the last decade Quantitative changes include more authors books and publishers book review sources booklists and awards organizations institutions and websites and criticism and other scholarship Qualitative changes include More support for new and emerging writers and illustrators Promotion of multicultural literature both in the U S and around the world as well as developments in global literature Developments in the literatures described throughout this book as well as in research supporting this literature The impact of technology Characteristics and activities of four adult audiences that use and promote multicultural children s literature and Changes in leaders and their organizations This is still a single reference source for busy and involved librarians teachers parents scholars publishers distributors and community leaders Most books on multicultural children s literature are written especially for teachers librarians and scholars They may be introductions to the literature selection tools teaching guides or very theoretical books on choosing evaluating and using these materials Multicultural and Ethnic Children s Literature in the United States focuses much more on the history of the development of this literature from the nineteenth century to the present day This book provides much more of a cultural and political context for the early development of this literature It emphasizes the self determining viewpoints and activities of diverse people as they produce materials for the young Multicultural and Ethnic Children s Literature describes organizations events activities and other contributions of diverse writers illustrators publishers researchers scholars librarians educators and parents It also describes trends in the research on the literature It elaborates more on ways in which diversity is still an issue in publishing companies and an extended list of related industries It describes related literature from outside of the U S and makes connections to traditional global literature Last Multicultural and Ethnic Children s Literature shows the impact of multiculturalism on education libraries and the mainstream culture in general While the other books on multiculturalism focus on how to find evaluate and use multicultural materials especially in schools and libraries this book is concerned over whether and how books are produced in the first place and how this material impact the broader society In many ways it supplements other books on multicultural children s literature **Teaching Multicultural Children's Literature in a Diverse Society** AnnMarie Alberton Gunn,Susan, V. Bennett,2023-03-28 This textbook is a comprehensive resource for teaching multicultural children s literature Providing foundational information on how and why to integrate diverse children s literature into the classroom this book presents a necessary historical

perspective on cultural groups in the United States and context for how to teach children's literature in a way that reflects and sustains students' rich cultural backgrounds. The historical insights and context on diverse cultural groups at the heart of the book allow readers to deepen their understanding of why teaching about cultural diversity is necessary for effective and inclusive education. Part I offers foundational information on how to teach children's literature in a diverse society and Part II overviews pedagogy resources and guidance for teaching specific culturally and linguistically marginalized groups. Each chapter contains book recommendations, discussion questions, and additional resources for teachers. With authentic strategies and crucial background knowledge embedded in each chapter, this text is essential reading for pre-service and in-service teachers and is ideal for courses in children's literature, literacy methods, instruction, and multicultural education.

Latino/a Children's and Young Adult Writers on the Art of Storytelling Frederick Luis Aldama, 2018-10-26 Children's and young adult literature has become an essential medium for identity formation in contemporary Latino/a culture in the United States. This book is an original collection of more than thirty interviews led by Frederick Luis Aldama with Latino/a authors working in the genre. The conversations revolve around the conveyance of young Latino/a experience and what that means for the authors as they overcome societal obstacles and aesthetic complexity. The authors also speak extensively about their experiences within the publishing industry and with their audiences. As such, Aldama's collection presents an open forum to contemporary Latino/a writers working in a vital literary category and sheds new light on the myriad formats' distinctive nature and cultural impact it offers.

Dream Wakers Ruth Culham, 2023-10-10 There is power that resides in outstanding culturally diverse literature—a power that has the potential to engage students in reading and teach them about the art and craft of writing. In *Dream Wakers*, Mentor Texts That Celebrate Latino Culture, Ruth Culham focuses her love of children's literature and her decades of work developing the traits of writing on books that celebrate Latino life and culture. She provides a wide variety of ideas to teach writing using some of the richest and most beautiful children's books available. *Dream Wakers* gives you an annotated list of more than 120 books with do-it-yourself lesson ideas for teaching the traits of writing: Ideas, Organization, Voice, Word Choice, Sentence Fluency, and Conventions. More than half of the books listed are bilingual or offer English and/or Spanish editions. Eleven original insightful essays by renowned children's authors of some of the featured books. A handy reference chart that helps teachers locate books quickly by trait, genre, language, and author/publisher information. Ruth encourages all of us to make sure students of all backgrounds have access to high-quality culturally diverse texts and recognize the difference those texts will make in their reading lives as well as in their perception of themselves as thinkers, learners, and citizens.
