**in Children's Literature** Anna Jackson, Roderick McGillis, Karen Coats, 2013-10-11 From creepy picture books to Harry Potter Lemony Snicket the Spiderwick Chronicles and countless vampire series for young adult readers fear has become a dominant mode of entertainment for young readers The last two decades have seen an enormous growth in the critical study of two very different genres the Gothic and children's literature The Gothic concerned with the perverse and the forbidden with adult sexuality and religious or metaphysical doubts and heresies seems to represent everything that children's literature as a genre was designed to keep out Indeed this does seem to be very much the way that children's literature was marketed in the late eighteenth century at exactly the same time that the Gothic was really taking off written by the same women novelists who were responsible for the promotion of a safe and segregated children's literature This collection examines the early intersection of the Gothic and children's literature and the contemporary manifestations of the gothic impulse revealing that Gothic elements can in fact be traced in children's literature for as long as children have been reading

**Landscapes of Fear** Yi-Fu Tuan, 2013-04-01 To be human is to experience fear but what is it exactly that makes us fearful Landscapes of Fear written immediately after his classic Space and Place is renowned geographer Yi Fu Tuan's influential exploration of the spaces of fear and of how these landscapes shift during our lives and vary throughout history In a series of linked essays that journey broadly across place time and cultures Tuan examines the diverse manifestations and causes of fear in individuals and societies he describes the horror created by epidemic disease and supernatural visions of witches and ghosts violence and fear in the country and the city fears of drought flood famine and disease and the ways in which authorities devise landscapes of terror to instill fear and subservience in their own populations In this groundbreaking work now with a new preface by the author Yi Fu Tuan reaches back into our prehistory to discover what is universal and what is particular in our inheritance of fear Tuan emphasizes that human fear is a constant it causes us to draw what he calls our circles of safety and at the same time acts as a foundational impetus behind curiosity growth and adventure **Graphic Novels** Michael Pawuk, David S.
