Once Upon An Ordinary School Day:

Once Upon an Ordinary School Day Colin McNaughton, 2005-03-10 A celebration of extraordinary teachers The boy's breakfast is ordinary his walk to school is ordinary even his thoughts are ordinary But when he goes to his classroom and sits down at his desk his day begins to change a new teacher Mr Gee bursts into the classroom with an extraordinary idea that challenges all the children to use their imagination Suddenly an ordinary day is turned topsy turvy and the boy is inspired in a way that will change him forever The rollicking words and pictures celebrate the unexpected in this tribute to great teachers and students everywhere *Once Upon an Ordinary School Day* is a 2006 Bank Street Best Children's Book of the Year

Reading Power Adrienne Gear, 2013 *Developing Children's Critical Thinking through Picturebooks* Mary Roche, 2014-07-25 This accessible text will show students and class teachers how they can enable their pupils to become critical thinkers through the medium of picturebooks By introducing children to the notion of making meaning together through thinking and discussion Roche focuses on carefully chosen picturebooks as a stimulus for discussion and shows how they can constitute an accessible multimodal resource for adding to literacy skills while at the same time developing in pupils a far wider range of literary understanding By allowing time for thinking about and digesting the pictures as well as the text and then engaging pupils in classroom discussion this book highlights a powerful means of developing children's oral language ability critical thinking and visual literacy while also acting as a rich resource for developing children's literary understanding Throughout Roche provides rich data and examples from real classroom practice This book also provides an overview of recent international research on doing interactive read alouds on what critical literacy means on what critical thinking means and on picturebooks themselves Lecturers on teacher education courses for early years or primary levels classroom teachers pre service education students and all those interested in promoting critical engagement and dialogue about literature will find this an engaging and very insightful text *Powerful Writing Structures* Adrienne Gear, 2020-02-06 This timely book uses thinking structures to deepen student writing It revolves around brain pockets to help students appreciate the qualities of different writing forms Some powerful examples include memory pockets for personal narrative writing fact pockets for nonfiction and imagination pockets for story writing Detailed lesson plans are featured along with sample anchor books and book lists Based on extensive classroom testing student samples throughout the book illustrate this unique approach to teaching writing Suggestions for setting up an effective writing program and assessment tips for guiding instruction complete this comprehensive approach to developing a year long writing program **Readers' Advisory for Children and 'Tweens** Penny Peck, 2010-04-09 This complete guide to youth readers advisory covers genres reading interests and issues as well as provides lists of sample titles and recommended reading Finding children and tweens great books to read is still a key library service even in the age of computers Readers Advisory for Children and Tweens is an easy to use practical guide that will help any library staff member become more comfortable offering this service and more adept

at producing satisfying results Beginning with basic advice on the readers advisory interview the book details how to find books for different age groups including young children and their parents emergent readers transitional readers and adept readers It explores genre fiction for tweens nonfiction poetry and folklore and graphic novels and it offers techniques on promoting books and reading Potentially sensitive issues such as book challenges assisting English language learners serving children from various cultures working with teachers and helping reluctant readers are addressed as well The advice is augmented with handy booklists and descriptions of dozens of websites that aid in youth readers advisory *Promoting Reading for Pleasure in the Primary School* Michael Lockwood, 2008-06-24 Winner of the UKLA Author Award 2009

Lockwood has written a useful supportive book which will help teachers and librarians He describes the background and summarises the research and then proposes thoroughly practical programmes Carousel Michael Lockwood has produced an excellent practical overview and analysis of what works in the primary school to promote reading for pleasure Lockwood's work is grounded and valuable to those who need it most teachers in the classroom working hard to engender a love of reading English Drama Media This book is first class It puts the matter very clearly and succinctly and presents a great deal of evidence to support the argument that pleasure is not a frivolous extra but the very heart and essence of what reading is about It also gives readers plenty of ideas for carrying the principle into the classroom and for justifying it This is an excellent piece of work which I hope will find a place on every staffroom bookshelf Philip Pullman English primary school children are less likely to read for pleasure than their counterparts in many other countries This practical and focused book discusses the background to this situation and looks at how government initiatives have tried to address it Drawing on the author's own research project in order to identify good practice in promoting reading for enjoyment the book presents specific activities which teachers can use to develop their own whole school and classroom practice enabling them to put the fun back into reading Each chapter features case study material and provides examples of planning from schools that have successfully created thriving reading cultures through schemes such as reading assemblies book clubs library loyalty cards school book evenings and quizzes There is also an extensive annotated list of print and internet based resources Topics covered include Becoming a reading for pleasure school Promoting a love of reading in the early years Developing reading enjoyment in the later primary years Getting boys reading Promoting Reading for Pleasure in the Primary School is written for all those involved in education who would like to see as many children as possible develop a love of reading It will be particularly relevant for primary teachers teaching assistants trainee teachers advisers and consultants as well as teacher educators and researchers **A to Zoo** Rebecca L.
