Once Upon The River Love:

Once Upon the River Love Andreï Makine, 2013-07 Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Once Upon the River Love Andreï Makine, 2011-11-07 In the immense virgin pine forests of Siberia where the snows of winter are vast and endless sits the little village of Svetlava Once the village had been larger more prosperous but time and the pendulum of history had reduced it by the 1970s to no more than a cluster of izbas But for three young men the handsome young Alyosha the crippled Utkin and the older dashing Samurai little is needed to construct their own special universe Despite the harshness of the environment and their meager resources the three adolescents form a tight band of friendship and dream of another life a world of passion and love And when they learn one day that a Western film is being shown in the closest real city they trek for hours on snowshoes to see it Through that film the boys lives are changed forever Written from the perspective of twenty years after these youthful events Once Upon the River Love follows the destinies of these three young idealists up to the present day to the boardwalks of Brighton Beach and the jungles of Central America With the same mastery of plot and prose that marked the author s Dreams of My Russian Summers this novel demonstrates Makine's remarkable ability to recreate the past with such precision and beauty that the present becomes all the more poignant Once Upon a River Lorrie Bartlett, 2011-11-08 ONCE UPON A RIVER tells the story of a young couple in love trying to escape the girls tyrannical father With his beloved dog team and meager belongings they undertake an impossible journey into unexplored territory. In the 1930 s when vintage aircraft were competing for Mail runs and passenger service the daring Bush Pilots who flew them were hired by the girls father to find the runaway pair In desperation they search with reckless abandon the mysterious Bristol Bay region of the Bering Sea

Once Upon a River Diane Setterfield,2019-07-02 From the instant 1 New York Times bestselling author of the eerie and fascinating USA TODAY The Thirteenth Tale comes a swift and entrancing profound and beautiful Madeline Miller internationally bestselling author of Circe novel about how we explain the world to ourselves ourselves to others and the meaning of our lives in a universe that remains impenetrably mysterious On a dark midwinter s night in an ancient inn on the river Thames an extraordinary event takes place The regulars are telling stories to while away the dark hours when the door bursts open on a grievously wounded stranger In his arms is the lifeless body of a small child Hours later the girl stirs takes a breath and returns to life Is it a miracle Is it magic Or can science provide an explanation These questions have many answers some of them quite dark indeed Those who dwell on the river bank apply all their ingenuity to solving the puzzle of

the girl who died and lived again yet as the days pass the mystery only deepens The child herself is mute and unable to answer the essential questions Who is she Where did she come from And to whom does she belong But answers proliferate nonetheless Three families are keen to claim her A wealthy young mother knows the girl is her kidnapped daughter missing for two years A farming family reeling from the discovery of their son s secret liaison stand ready to welcome their granddaughter The parson s housekeeper humble and isolated sees in the child the image of her younger sister But the return of a lost child is not without complications and no matter how heartbreaking the past losses no matter how precious the child herself this girl cannot be everyone s Each family has mysteries of its own and many secrets must be revealed before the girl s identity can be known Once Upon a River is a glorious tapestry of a book that combines folklore and science magic and myth Suspenseful romantic and richly atmospheric this is a beguiling tale full of twists and turns like the river at its heart and just as rich and intriguing M L Stedman 1 New York Times bestselling author of The Light Between Oceans
