Hairfield,2001-02-01 Once upon a Parable is generally dedicated to self help and self improvement toward a higher level of spirituality either individually or collectively Mahayana Myths and Stories Sangharakshita,2017-03-20 Sangharakshita introduces us to the wonderful world of three of the best loved Mahayana sutras a world from which we emerge with treasures in the form of teachings and advice that are a great support in how to live our lives in the everyday world From the transcendental critique of religion and the means of unification offered by the Vimalakirti nirdesa to the light shed on economics ecology and politics by the Sutra of Golden Light these commentaries offer a unique and deeply meaningful perspective on the value of human existence

Drama of Cosmic Enlightenment Sangharakshita,2014-05-13 In the White Lotus Sutra bursting with symbols imagery and myths we meet the Buddha as a story teller This sutra tells the greatest of all stories that of human life and human potential This great story takes the cosmos as its stage and all sentient beings as its players This delightfully illustrated commentary on one of the most influential revered and well loved Buddhist scriptures brings these stories vividly to life and shows how they relate to our own spiritual quest **Once Upon a Time: Parables of Jesus, Stories That Changed the World** Catherine Barry,2015-09-24 Storytelling has been around since the beginning of time Can you just picture Adam and Eve sitting around and telling God about their day and the adventures they had in the Garden of Eden It is how we connect the past to the present keeping the details of history alive into the future Word pictures intricately woven with descriptive words and phrases bring to life the events of the past the details of a missed occasion or an object lesson to teach a child Storytelling is the most powerful way to put ideas into the world today Robert McAfee Brown Storytelling reveals meaning without committing the error of defining it Hannah Arendt Jesus is a great example of a masterful storyteller Although all his stories were not based on an actual event they were not fiction There was nothing but truth in them What skill You now have the opportunity to become a great storyteller Here are some tips to help you make the most of each parable and each class
