Fathers and Sons in the English Middle Class, c. 1870-1920 Laura Ugolini, 2021-04-01 This book explores the relationship between middle class fathers and sons in England between c 1870 and 1920 We now know that the conventional image of the middle class paterfamilias of this period as cold and authoritarian is too simplistic but there is still much to be discovered about relationships in middle class families Paying especial attention to gender and masculinities this book focuses on the interactions between fathers and sons exploring how relationships developed and masculine identities were negotiated from infancy and childhood to adulthood and old age Drawing on sources as diverse as autobiographies oral history interviews First World War conscription records and press reports of violent incidents this book questions how fathers and sons negotiated relationships marked by shifting relations of power as well as by different combinations of emotional entanglements obligations and ties It explores changes as fathers and sons grew older and assesses fathers role in trying to mould sons masculine identities characters and lives It reveals negotiation and compromise as well as rebellion and conflict underlining that fathers and sons were important to each other their relationships a significant if often overlooked aspect of middle class men s lives and identities

Fathers and Sons Alexander Waugh, 2008-12-10 If there is a literary gene then the Waugh family most certainly has it and it clearly seems to be passed down from father to son The first of the literary Waughs was Arthur who when he won the Newdigate Prize for poetry at Oxford in 1888 broke with the family tradition of medicine He went on to become a distinguished publisher and an immensely influential book columnist He fathered two sons Alec and Evelyn both of whom were to become novelists of note and whom Arthur somewhat uneasily would himself publish both of whom were to rebel in their own ways against his bedrock Victorianism and one of whom Evelyn was to write a series of immortal novels that will be prized as long as elegance and lethal wit are admired Evelyn begat among seven others Auberon Waugh who would carry on in the family tradition of literary skill and eccentricity becoming one of England s most incorrigibly cantankerous and provocative newspaper columnists loved and loathed in equal measure And Auberon begat Alexander yet another writer in the family to whom it has fallen to tell this extraordinary tale of four generations of scribbling male Waughs The result of his labors is *Fathers and Sons* one of the most unusual works of biographical memoir ever written In this remarkable history of father son relationships in his family Alexander Waugh exposes the fraught dynamics of love and strife that has produced a succession of successful authors Based on the recollections of his father and on a mine of hitherto unseen documents relating to his grandfather Evelyn the book skillfully traces the threads that have linked father to son across a century of war conflict turmoil and change It is at once very very funny fearlessly candid and exceptionally moving a supremely entertaining book that will speak to all fathers and sons as well as the women who love them

*Kegan Paul - A Victorian Imprint* Leslie Howsam, 1999-12-15 The Kegan Paul imprint was created and its

reputation for a distinguished list of titles established during a forty year period from 1871 to 1911 Several publishers and their firms were involved in the development of the imprint during this period beginning with Henry S King and Company and following in 1877 with Charles Kegan Paul and his partner Alfred Chenevix Trench A financial crisis in 1889 forced an amalgamation with two other businesses and the new firm changed managers periodically until George Routledge and Son took over the business in 1911 Leslie Howsam combines biography and analytic bibliography in her study of the Kegan Paul imprint to demonstrate the value of publishing history as a contribution to the scholarly study of the book Basing her research on intensive work in the company s surviving archives and supplemented by extensive library work with the actual books Howsam looks at the wide range of significant titles published for the imprint In addition she reconstructs a biographical and business history of the firm based on published and unpublished accounts of the individuals involved including the publishers and their families and looks at the effects of changing business practices The focus of Victorian Imprint Kegan Paul is the duality of imprint the publisher s imprint upon a list of books and publisher s personalities the imprint of their taste and judgment on the culture in which they lived Evelyn Waugh Michael G. Brennan,2013-04-11 Surveys the work of Evelyn Waugh and his literary explorations of the themes of Catholicism society and the family

*Desiderata* ,1929 Decadent Women Jad Adams,2023-10-01 The never before told story of the extraordinary women behind a trailblazing British magazine During the 1890s British women for the first time began to leave their family homes to seek work accommodation and financial and sexual freedom Decadent Women is an account of some of these women who wrote for the innovative art and literary journal The Yellow Book For the first time and drawing on original research Jad Adams describes the lives and work of these vibrant and passionate women from well connected and fashionable aristocrats to the desperately poor He narrates the challenges they faced in a literary marketplace and within a society that overwhelmingly favored men showing how they were pioneers of a new style living lives of lurid adventure and romance as well as experiencing poverty squalor disease and unwanted pregnancy *Evelyn Waugh: 1924-1966* John Howard Wilson,1996 This biography of Evelyn Waugh focuses on the early years and influences that molded his mind and character The work discusses the early writings of Waugh and explains how his childhood experiences were very influential in how he confronted life s dilemmas **A Bookman's Catalogue Vol. 2 M-End** T. Bose,R. N. Colbeck,2011-11-01 The Colbeck collection was formed over half a century ago by the Bournemouth bookseller Norman Colbeck Focusing primarily on British essayists and poets of the nineteenth century from the Romantic Movement through the Edwardian era the collection features nearly 500 authors and lists over 13 000 works Entries are alphabetically arranged by author with copious notes on the condition and binding of each copy Nine appendices provide listings of selected periodicals series publications anthologies yearbooks and topical works **Reports of the Library Trustees and the Librarian and a List of Accessions to the Library for the Year Ending ...** Weston Public Library (Mass.),1928 Hubert Crackanthorpe:

Selected Writings William Greenslade, Emanuela Ettorre, 2020-10-19 Hubert Crackanthorpe 1870 1896 made a critically significant contribution to the evolution of the modernist short story in Britain His unexplained death in Paris at the age of 26 cut short a highly promising literary career The striking realism of Crackanthorpe s first collection of short stories *Wreckage* 1893 followed by the psychologically complex *Sentimental Studies* and posthumous *Last Studies* 1896 together with the prose poems of *Vignettes* 1896 were much admired by Henry James and his contemporaries Dowson Johnson and Symons as the work of a leading innovative writer of critical Decadence Indeed his stories combine an unrelenting realism with a conscious aestheticizing of their often troubling bleak subject matter As co editor of the short lived periodical *The Albermarle* and campaigning literary journalist Crackanthorpe was a key critical participant in central literary and artistic debates of the early 1890s facts versus effects in literature the efficacy of realism naturalism questions of taste reticence and the handling of controversial subject matter This fully annotated critical text comprises the most extensive collection to date of Crackanthorpe s writing As well as uncollected stories the volume includes a short story never previously published in book form This edition also contains a selection of Crackanthorpe s critical writings and a bibliographical survey of his work

Dept. of printed books, 1931 **To Exercise Our Talents** Christopher Hilliard, 2006-04-15 In 20th century Britain the literary landscape underwent a fundamental change Aspiring authors included factory workers writing amid chaotic home lives and married women joining writers clubs in search of creative outlet This work reveals the history of ordinary voices and reconstructs the literary culture of a democratic age **English Association Bulletin** English Association, 1931 Bibliographies of English language and literature lists of new members of the association and lists of publications of the association are included **Fiction and the American Literary Marketplace** Charles

Johanningsmeier, 2002-07-04 Conventional literary history has virtually ignored the role of newspaper syndicates in publishing some of the most famous nineteenth century writers Stephen Crane Henry James Rudyard Kipling Robert Louis Stevenson and Mark Twain were among those who offered their early fiction to Syndicates firms which subsequently sold the work to newspapers across America for simultaneous first time publication This newly decentralised process profoundly affected not only the economics of publishing but also the relationship between authors texts and readers In the first full length study of this publishing phenomenon Charles Johanningsmeier evaluates the unique site of interaction syndicates held between readers and texts

**Australian Books and Authors in the American Marketplace 1840s-1940s** David Carter, Roger Osborne, 2018-07-02 *Australian Books and Authors in the American Marketplace 1840s 1940s* explores how Australian writers and their works were present in the United States before the mid twentieth century to a much greater degree than previously acknowledged Drawing on fresh archival research and combining the approaches of literary criticism print culture studies and book history David Carter and Roger Osborne demonstrate that Australian writing was

transnational long before the contemporary period In mapping Australian literature s connections to British and US markets their research challenges established understandings of national imperial and world literatures Carter and Osborne examine how Australian authors editors and publishers engaged productively with their American counterparts and how American readers and reviewers responded to Australian works They consider the role played by British publishers and agents in taking Australian writing to America and how the international circulation of new literary genres created new opportunities for novelists to move between markets Some of these writers such as Christina Stead and Patrick White remain household names others who once enjoyed international fame such as Dale Collins and Alice Grant Rosman have been largely forgotten The story of their books in America reveals how culture commerce and copyright law interacted to create both opportunities and obstacles for Australian writers
