Confucianism as a World Religion Anna Sun, 2013-04-21 Is Confucianism a religion If so why do most Chinese think it

isn't From ancient Confucian temples to nineteenth century archives to the testimony of people interviewed by the author throughout China over a period of more than a decade this book traces the birth and growth of the idea of Confucianism as a world religion The book begins at Oxford in the late nineteenth century when Friedrich Max Müller and James Legge classified Confucianism as a world religion in the new discourse of world religions and the emerging discipline of comparative religion Anna Sun shows how that decisive moment continues to influence the understanding of Confucianism in the contemporary world not only in the West but also in China where the politics of Confucianism has become important to the present regime in a time of transition Contested histories of Confucianism are vital signs of social and political change Sun also examines the revival of Confucianism in contemporary China and the social significance of the ritual practice of Confucian temples While the Chinese government turns to Confucianism to justify its political agenda Confucian activists have started a movement to turn Confucianism into a religion Confucianism as a world religion might have begun as a scholarly construction but are we witnessing its transformation into a social and political reality With historical analysis extensive research and thoughtful reflection Confucianism as a World Religion will engage all those interested in religion and global politics at the beginning of the Chinese century **Doing History** Linda S. The 21st Century Church Dr. Charles Jackson,2018-03-21 after much prayer and meditation God spoke to me I combed through scriptures reading about the church and more about Jesus and His relationship with his disciples especially focusing on Peter and his bond with the church What was its purpose Why couldn t the thoughts of the church the Body of Christ the pure meaning of its intent be left alone My brothers and sisters after countless days of tumultuous soul searching and restless nights God has revealed to me that the transformation begins with the acceptance of His Son However at times we are alienated and an enemy of Christ destitute by the wicked works of our minds Conversely through his sacrificial death He has reconciled us to present us holy unblameable and unreprieveable to himself When you journey through the pages of this book allow the process to continue Jesus works from the inside out The mind is the center for change As you continue to walk in Christ Let this mind be in you which was also in Christ Jesus Let this book be the compass that guides you back on course so that you too can become the church that Christ intended you to be
