One World Renaissance: Holistic Planetary Transformation Through a Global Social Contract Glen T. Martin, 2015-10-15

In this masterwork Dr Glen T Martin shows why our predicament requires the creation of a global social contract that can only be adopted through a profound philosophic shift to holism the same evolutionary holism that has swept all of the world's sciences He explains why this new holism if applied to global governance would require a world federation under enforceable global law Humanity can never flourish Martin argues unless we build a well governed world that leaves behind our fragmented system of self interested nation states and global corporations bent on profit In establishing his argument Dr Martin mines the thought of the world's leading philosophers and social theorists to create an unprecedented synthesis one that goes far beyond his previous books to reveal the way forward on the basis of a united planet with immense possibilities for a future global renaissance EDITORIAL REVIEWS Sweeps away the cloud of dust of selfishly motivated men in authority who divide the people and the nations creating factionalism in every form of human activity I congratulate Dr Glen Martin for his learned practical and inspired effort for world unity The Honorable A P Misra retired Justice of the Supreme Court of India This book is visionary and appears at a time when the speed of change and the perceived failings of current institutions call out for just such a vision Marc Pilisuk PhD Professor Emeritus Saybrook University author of The Hidden Structure of Violence Incredibly rich with insights wisdom and scholarship this remarkable book offers profound solutions to our global predicament Barbara Marx Hubbard futurist author of Conscious Evolution ABOUT THE AUTHOR Glen T Martin PhD is a professor of philosophy at Radford University in Virginia and chair of its Peace Studies program Dr Martin is president of International Philosophers for Peace and president of the World Constitution and Parliament Association the world's leading advocate for a constitution for a democratic federal world government As a result of his decades of peace activities Martin has received several international awards including the World Peace Award from the Office of the World Peace Envoy in Bangkok Thailand 2008 and the Gusi International Peace Prize in Manila Phillipines 2013 He has also been nominated for the Mahatma Gandhi Peace Award

Human Dignity and World Order Glen T. Martin, 2024-04-05 We must establish our world order on the principles of human dignity if we want a credible future for humanity This book shows how and why this is so It investigates the meaning of human dignity in relation to current scholarly work as well as in terms of the depths of our subjective lives from which the concept of dignity arises It contrasts the concept of dignity with our current world system engulfed in endless wars immense inequality systems of economic injustice and on going environmental destruction It shows the relationship between dignity human rights and global moral principles and lays out ten fundamental principles for a planetary ethics The book contrasts the holistic paradigm uncovered by 20th century science with the fragmented paradigm that persists at the heart of the present world system showing how and why a conversion to holism and dignity is both necessary and possible Human Dignity and World Order shows that we have not yet fully understood our human existential

situation as temporal beings oriented toward the future who possess the largely untapped power of a liberating utopian imagination Through examining our fundamental human condition it unveils our vast potential for self transcendence and transformation leading toward a redeemed and credible human future in which we flourish on the Earth within a planetary civilization of freedom justice peace and sustainable prosperity This book also presents the Constitution for the Federation of Earth as a paradigm or model for practical action toward a credible human future Altogether the book constitutes a watershed in human self understanding opening possibilities for the future hitherto ignored or misunderstood Every thoughtful person concerned for our common human future needs to read this book
