Classified Catalogue of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh, 1907 *Classified Catalogue* Carnegie Library of

Pittsburgh, 1907 *The Queen of Spades and Other Stories* Alexander Pushkin, 2009-01-29 The Queen of Spades has long been acknowledged as one of the world's greatest short stories. In this classic literary representation of gambling, Alexander Pushkin explores the nature of obsession. Hints of the occult and gothic alternate with scenes of St. Petersburg high society in the story of the passionate Hermann's quest to master chance and make his fortune at the card table. Underlying the taut plot is an ironical treatment of the romantic dreamer and social outcast. This volume contains three other major works of Pushkin's fiction, moving from the witty parodies of sentimentalism and high melodrama in *The Tales of Belkin* to an early experiment with recreating the past in *Peter the Great's Blackamoor*. It concludes with the novel-length masterpiece *The Captain's Daughter*, which combines historical fiction in the manner of Sir Walter Scott with the colour and devices of the Russian fairy tale in a narrative of rebellion and romance. These new translations, as well as being meticulously faithful to the original, do full justice to the elegance and fluency of Pushkin's prose. The Introduction provides insightful readings of the stories and places them in their European literary context. A chronology of the Pugachov Uprising illuminates the events in *The Captain's Daughter*. ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Sucker Bait Graham Ingels, Al Feldstein, 2014-02-15 Even 60 years after their original release in an era of explicit horror, EC Comics superstar Graham Ingels's grisly pages retain the power to shock. His loving depictions of the endless corruption of flesh and nature made him the go-to guy for stories involving swamps, maniacs, and dismemberment, and all three combined to best effect in one of the standouts of this collection of his stories, *Horror We How*. s Bayou considered the single most spectacularly drawn of all of EC's horror stories, with a climax that would give body horror king David Cronenberg nightmares. Ingels specialized in depicting the unimaginable. If you ever wondered what the vengeful, decaying corpse of an elephant stomping a woman to death would look like, it's in here. *Squash Anyone*. Or living rats sewn into the bodies of a tyrannical king and queen. A Grim Fairy Tale or the results of injecting a poison pen letter writer with literal poison and reducing him to, in the words of Al Feldstein's script, a foul-smelling, oozing pool of putrescence. Notes to You One of the two Ray Bradbury adaptations in the book, *There Was an Old Woman*, about a deceased crone who simply refuses to stay dead, provides the closest thing to a note of sweetness that you'll find here, perhaps with the exception of the genuinely romantic *A Little Stranger* and its loving marriage between a dead vampire and a dead werewolf. **Sucker Bait and Other Stories** features 25 classic stories from *Tales From the Crypt*, *Shock*, *Suspense*, *Stories*, *Vault of Horror*, and Ingels and his Old Witch character's special showcase *Haunt of Fear*, plus the usual fascinating historical, critical, and biographical material.
