One Kind Love Sapphire:

One of a Kind Love Sapphire, 2015-11-18 Beau should have known by the way she carried herself that Capri was a force to be reckoned with. The way she put him in his place one day while on the plane should have been all the evidence he needed to leave her alone. However, after he got over his initial shock, it was brought to his attention by his friend Caspian that he needed Capri to seal some very important business deals. When Beau spied what she was wearing under her clothes, he knew then that she wasn't the normal woman. She had a way about her that was strong and dominating, which he could put up with if the outcome was to his liking. But if she thought Beau was willing to be her boy toy, then Capri has another thing coming. And he was going to enjoy proving it her one erotic experience at a time that he was not like all the others. Of course, he'd also have to deal with Monica, his conniving ex-wife, showing up in an attempt to putting a stop to his fun, but for some reason, he thought Capri could hold her own. Love Without Color Rajeane Cheeks, 2019-03-23 Makira is an ambitious and attractive liberal arts professor at Oliver Johnson University. She enjoys her job, but she also yearns for more. She carries a lifelong desire for true love, something that at thirty years old, she has never come close to finding. Perhaps that is partially due to her father, the CEO and namesake of the school where she works. All Makira's life, Oliver has brainwashed his daughter into believing that white people are devils and cannot be trusted. His doctrine has molded every facet of her life, so for the longest time, Makira has followed the mantra: Don't trust any race but your own. But her beliefs are shaken when she finds herself drawn to new assistant professor Christian. Christian is the only white man on Oliver Johnson's all-black campus. Beautiful, brilliant, but inexperienced, Makira immediately enchants him. It isn't long before Makira begins to return his affections, mind, body, and soul. Still, she remains blinded by her father's radical beliefs. She struggles to deny her feelings for Christian, but the fire of love will not be extinguished. It is time for Makira to make a choice: break free from her father's influence or grow to become a bitter, unhappy woman. Promises in the Dark Karen Wiesner, 2016-11-07 William Decker, an orphan who grew up without warmth or companionship from those around him, had been a loner all his life, preferring solitude, loneliness, and dark corners to friends, anything resembling a spotlight, and even love. When he met Roxanne Hart, his first and only year of college, he'd found a center he'd unconsciously looked for all his life. Though Rox loved him deeply as a friend, she was in love with another man, and he'd never really had a shot there, despite his relentless loyalty. When she announces her wedding, William knows it's long past time for him to stop wishing for the moon, but more than that, he realizes for the first time that he'd set his heart on an unavailable woman, purposely. He's lived his life on the principle of: Better to not love and lose what you never had to begin with, and you can't be hurt by anything you haven't invested yourself in, and he can't deny it's done little beyond keep him lonely. Sapphire Stephenson married, had a child, and divorced before she was out of her teens. But starting out life with a newborn and parents who refused to understand why she couldn't forgive her cheating husband, even once she'd taken the only job she'd been able to get as a waitress and later a bartender at a rough biker joint.
