Her: Kathleen McCartan,2014-09-23 First and foremost this book gives you a glimpse into one creative some say genius bipolar mind which I have had for a little over twelve years Beyond that using a Sacred Feminine Holy Spirit Breath and Wind of God perspective as well as an educational creative perspective and a Course in Miracles perspective I attempt to create a total world reversal of thought on all issues related to the world humans why were here and whats to come of us This book reverses so called normal human thinking about almost everything including what is life and what is death what the real story of Lucifer and Mary Magdalene John the Baptist and Jesus really is and what the actual laws of the universe really are whats actually normal and abnormal the answer will surprise you what humans are actually like as a species what the current state of our world actually is and what humans mean to Christ John the Baptist Christ Alter Ego Christ in reality and in the great scheme of things It will be no surprise that I determine that to save the world and yes it can be done love is

the only question and love is the only answer The only problem is that most people on Earth aren't really listening despite the fact that we live in an almost dead world mentally emotionally and spiritually The spiritual light of the world is very dim if it's even shining at all anymore Humans must wake up now today This book is about starting a creative spiritual educational revolution in America and letting it spread throughout the whole world This book takes a forward looking approach to the future and gives readers a glimpse into upcoming events

David Almond Don Latham, 2006 David Almond's six books have been praised for their lyrical prose their evocative use of magical realism and their sensitive male and strong female characters His work has garnered several prestigious literary awards including the Carnegie Medal the Whitbread Children's Book of the Year Award and the Michael L Printz Award Clearly Almond is a significant talent in the world of young adult literature who has in a short time gained an impressive amount of recognition but to date little critical commentary devoted to Almond's works has appeared Given the high regard accorded Almond's work and his regular output over the last five years it is appropriate that this book length critical study of his works is published David Almond *Memory and Magic* discusses how Almond's major themes relate specifically to the development of selfhood in his adolescent characters and explores the four major themes that are evident in all of his works magical realism death memory and imagination A chronology extensive bibliography afterword and index round out this text that serves as a resource for scholars and students of young adult fiction as well as teachers and librarians who work with young adults ultimately helping to foster among young people a deeper appreciation for Almond's work as a literary artist
