Carroll,Caroline Carroll,2001-09-06 A collection of devotional readings combining facts about nature with spiritual truths from the Bible and expressing the wonders of creation as they apply to contemporary life *The One Year Book of Family Devotions* Verna Louise Cunningham,1990-09 This is an excellent devotional that wil help families discover God 365 days a year Each day s reading includes a Bible passage that sets up the day s theme a story that shows the passage being applied an application question for children that asks them how the story applies to their lives and a Bible memory verse **The Very Best, Hands-On, Kinda Dangerous Family Devotions, Volume 2** Tim Shoemaker,2023-05-30 Hands On Devotions That Teach Spiritual Truths to the Whole Family As parents hoping to raise godly children in a world that is increasingly hostile to the Christian message we may know that regular family devotions are something we should do But it s hard to keep kids or even ourselves focused and engaged with so many other things competing for our attention The solution Make family devotions fun exciting and a little dangerous With 52 hands on possibly messy totally unforgettable object lessons this book not only makes family devotions way more fun it delivers the spiritual impact you desire for your kids So get out the safety goggles and start bringing the truths of Scripture to vivid life in your household Sticky Situations 2 Betsy Schmitt,2001 Featuring monthly themes memory verses and fun activities this children s devotional reaches elementary aged kids with true to life stories with everyday applications **For the Love of God (Vol. 2)** D. A. Carson,2006-07-10 In a world that views absolute truth right and wrong and salvation as being subject to individual interpretation the Bible s unwavering proclamations and miraculous stories seem obsolete in modern times But it is not God s Word that has changed Indeed its relevancy and its power to transform lives are intact What has changed is the number of people who consult it Now more than ever the need to read the Bible to understand the big

picture of its storyline and to grasp the relevance this has for your life is critical As with its companion volume For the Love of God Volume 1 this devotional contains a systematic 365 day plan based on the M Cheyne Bible reading schedule that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once In so doing D A Carson completes the work he began in the first book In an effort to help preserve biblical thinking and living D A Carson has also written thought provoking comments and reflections regarding each day s scriptural passages And most uniquely he offers you perspective that places each reading into the larger framework of history and God s eternal plan to deepen your understanding of his sovereignty and the unity and power of his Word **Sticky Situations** Betsy
