Benazir Bhutto Brooke Allen, 2022-01-25 The story of Benazir Bhutto the first woman to lead a Muslim nation seems lifted straight from Greek tragedy Born to privilege as the daughter of one of Pakistan's great feudal families she was groomed for a diplomatic career and was thrust into the political arena when her father Pakistan's charismatic and controversial prime minister was executed She then led Pakistan one of the most turbulent and impoverished nations in the world through two terms as prime minister in the 1980s and 1990s but she struggled to ward off charges of corruption and retain her tenuous hold on power and was eventually forced into exile Bhutto returned to Pakistan in 2007 only to be assassinated in Rawalpindi after a triumphant speech Including interviews with key figures who knew Bhutto and have never before spoken on the record *Benazir Bhutto Favored Daughter* illuminates Bhutto's tragic life as well as the role she played as the first female prime minister of Pakistan Celebrated literary critic Brooke Allen approaches Bhutto in a way not many have done before in this taut biography of a figure who had a profound effect on the volatile politics of the Middle East drawing on contemporary news sources and eyewitness reports as well as accounts from her supporters and her enemies **Daughter of the East**

, 1994 **Daughter of Destiny** Benazir Bhutto, 2008-04-15 *Daughter of Destiny* the autobiography of Benazir Bhutto is a historical document of uncommon passion and courage the dramatic story of a brilliant beautiful woman whose life was up to her tragic assassination in 2007 inexorably tied to her nation's tumultuous history Bhutto writes of growing up in a family of legendary wealth and near mythic status a family whose rich heritage survives in tales still passed from generation to generation She describes her journey from this protected world onto the volatile stage of international politics through her education at Radcliffe and Oxford the sudden coup that plunged her family into a prolonged nightmare of threats and torture her father's assassination by General Zia ul Haq in 1979 and her grueling experience as a political prisoner in solitary confinement With candor and courage Benazir Bhutto recounts her triumphant political rise from her return to Pakistan from exile in 1986 through the extraordinary events of 1988 the mysterious death of Zia her party's long struggle to ensure free elections and finally the stunning mandate that propelled her overnight into the ranks of the world's most powerful influential leaders **Daughter of the East** Benazir Bhutto, 2007 Beautiful charismatic and the first and only woman to lead a post colonial Muslim state Benazir Bhutto achieved international renown in her native Pakistan until charges of corruption forced her into exile in the late 1990s From her upbringing in one of Pakistan's richest families to her subsequent politicization and her arrest following her father's execution Bhutto's autobiography chronicles a life of strength dedication and courage in the face of adversity [Benazir Bhutto](#) Sean Price, 2009-08-15 Highlights the life and accomplishments of Pakistan's first woman prime minister and briefly discusses important world events that took place during her lifetime

Songs of Blood and Sword Fatima Bhutto, 2010-09-28 From one of the world's most famous political dynasties a sensational new literary voice tells the heartbreaking and revelatory tale of the family that shaped Pakistan **Benazir**
