Online Christmas Witch Wicked Witches Midwest Ebook:

A Witchmas Carol Amanda M. Lee, 2017-09-06 Christmas is here but the Winchester witches aren't exactly teeming with good cheer. Well, they are, but it's not the sort of Christmas cheer Aunt Tillie wants waiting for her under this year's tree. When Aunt Tillie finds out her great nieces want to separate for Christmas Day, forgoing the family's annual tradition, she decides to teach them a little lesson. Of course, since she's Aunt Tillie, her dose of retribution comes in the form of her favorite holiday Christmas stories. For Bay and Landon, that means they're shoved into *A Witchmas Carol*, one of Aunt Tillie's favorite tales. That should mean hugs and happiness, right? Yeah, try toil and trouble instead. Bay and Landon have to work their way through memories of the past, guilt over the present, and absolute terror when facing their future if they expect to come out the other side. To escape, they have to figure out exactly what Aunt Tillie wants, and she's got a few tricks up her sleeve. So it's that time of the year. Things are about to get merry and maybe a little messy for the Winchesters. There's no better time to hitch a ride on the mayhem sleigh.

White Witchmas Amanda M. Lee, 2023-11-04 Chestnuts are roasting, jingle bells are rocking. The halls are about to be decked. In other words, Christmas is about to hit Hemlock Cove Hard. There's just one little problem, or maybe two. Okay, there are three big problems plaguing Bay Winchester before she can enjoy the holidays. The first is that the warden who lost his job thanks to a prison break weeks before is determined to stalk Bay until she magically fixes his life. He keeps showing up in the oddest of places and making the sort of demands she can't fulfill. The second involves Aunt Tillie, who has decided to gift her nemesis Margaret Little a special spell rather than a lump of coal this holiday season. It involves her Christmas decorations taking on a life and voice of their own. The spell, however, isn't nearly as contained as it was supposed to be. When a body shows up at the local private school, that means it's one problem too many for Bay. And she doesn't know which problem to solve first. The headmistress of the school was involved in a convoluted affair with the father of one of her students. The list of suspects who wanted her dead was long and sundry, however. All Bay wants is to surprise her husband with a dog for Christmas and to eat her weight in cookies. She has to save the day first, though. Murder, mayhem, and mistletoe are on the menu. Death might not be far behind. Buckle up, because the Santa decorations are coming to town.

The Christmas Witch, 1992 Gloria must prove that she has what it takes to become a Christmas Witch by bringing peace to a planet occupied by two feuding factions.

The Christmas Witch Carla Caruso, 2019-11-12 Misfiring spells. A gorgeous new boss. Looks like this Christmas will be magic. The festive season isn't Mina Rosso's favourite time of year. It reminds her that as a descendant of La Befana, Italy's Christmas witch, she's cursed to forever be unlucky in love. Her plan this Christmastime is to lie low, keeping her secret identity under wraps as usual, and do what comes naturally: spread goodwill. Unfortunately, the arrival of her boss's son, Jadon Eder, puts a spanner in the works. Fresh from working in Milan, Jadon's full of big-city arrogance and plans to overhaul the antique shop. Mina loves Pity; he's also sinfully attractive. Despite her best intentions, and even though he's human, a no-no in
