Online Food Folklore Reader Lucy Long:

Food and Folklore Reader Lucy Long, 2015-12-31 Folklore has long explored food as a core component of life linked to identity aesthetics and community and connecting individuals to larger contexts of history culture and power It recognizes that we gather together to eat define class gender and race by food production preparation and consumption celebrate holidays and religious beliefs with food attach meaning to the most mundane of foods and evoke memories and emotions through our food selections and presentations The Food and Folklore Reader is the first comprehensive introduction to folklore methods and concepts relevant to food spanning the entire discipline with key sources drawn from around the globe Whilst folklore approaches have long permeated food studies this is the first dedicated reader to introduce those ideas and to encourage students of food to explore them in their own work Internationally respected editor Lucy M Long offers expert commentary and rich learning features to aid teaching Definitive in scale and scope the reader covers the history of food in folklore scholarship whilst also highlighting food studies approaches and concepts for folklore readers From seminal works on identity and aesthetics to innovative scholarship on contemporary food issues such as culinary tourism and food security this will be an essential resource for food studies folklore studies and anthropology

Behind the Mask Ben Bridges, Ross Brillhart, Diane E. Goldstein, 2023-11-15 Vernacular responses have been crucial for communities seeking creative ways to cope with the coronavirus pandemic With most people locked down and separated from the normal ebb and flow of life for an extended period of time COVID 19 inspired community and creativity adaptation and flexibility traditional knowledge resistance and dynamism Removing people from assumed norms and daily lives the pandemic provided a moment of insight into the nature of vernacular culture as it was used abused celebrated critiqued and discarded In Behind the Mask contributors from the USA the UK and Scandinavia emphasize the choices that individual people and communities made during the COVID pandemic prioritizing the everyday lives of people enduring this health crisis Despite vernacular's potential nod to dominant or external culture it is the strong connection to the local that grounds the vernacular within the experiential context that it occupies Exploring the nature and shape of vernacular responses to the ongoing public health crisis Behind the Mask documents processes that are otherwise likely to be forgotten Including different ethnographic presents contributors capture moments during the pandemic rather than upon reflection making the work important to students and scholars of folklore and ethnology as well as general readers interested in the COVID pandemic
