Access Versus Ownership to Word Formation in Language and Computation

The Origins of Human Rights R.U.S Prasad, 2022-09-09 This book studies the history of intercultural human rights It examines the foundational elements of human rights in the East and the West and provides a comparative analysis of the independent streams of thought originating from the two different geographic spaces It traces the genesis of the idea of human rights back to ancient Indian and Greco Roman texts especially concepts such as the Rigvedic universal moral law the Upanishadic narratives the Romans model of governance the rule of law and administration of justice It also looks at Cicero s concept of rights and duties which focuses on quality of compassion and fair play and Seneca s expositions on mercy empathy justice and checks on the arbitrary exercise of power An important contribution this book fills a significant gap in the study of human rights It will be useful for students and researchers of political science ancient history religion and civilizations philosophy history human rights governance law sociology and South Asian studies The book also caters to general readers interested in the history of human rights

Human Rights in the World Community Burns H. Weston, Anna Grear, 2016-04 Designed for educational use in international relations law political science economics and philosophy classes Human Rights in the World Community treats the full range of human rights issues including implementation problems and processes involving international national and nongovernmental action Now with online appendices

[International Human Rights Law](#) Rhona K. M. Smith, 2020 Written specifically for students new to the topic the concise and direct approach of International Human Rights Law will give you all you need to develop a good understanding of the subject The text provides clear and broad coverage of the primary systems of human rights protection and the selected substantive rights Key cases and areas of debate are highlighted throughout and a wealth of references to cases and further readings are provided at the end of each chapter This new edition has been thoroughly revised and updated to reflect the latest changes in international human rights law It includes a new chapter on sustainable development and the UN s 2030 Agenda as well as expanded coverage of the challenges posed by non state actors Book jacket

[The Ashgate Research Companion to Military Ethics](#) James Turner Johnson, Eric D. Patterson, 2016-03-23 This Companion provides scholars and graduates serving and retired military professionals members of the diplomatic and policy communities concerned with security affairs and legal professionals who deal with military law and with international law on armed conflicts with a comprehensive and authoritative state of the art review of current research in the area of military ethics Topics in this volume reflect both perennial and pressing

contemporary issues in the ethics of the use of military force and are written by established professionals and respected commentators Subjects are organized by three major perspectives on the use of military force the decision whether to use military force in a given context the matter of right conduct in the use of such force and ethical responsibilities beyond the end of an armed conflict Treatment of issues in each of these sections takes account of both present day moral challenges and new approaches to these and the historical tradition of just war Military ethics as it has developed has been a particularly Western concern and this volume reflects that reality However in a globalized world awareness of similarities and differences between Western approaches and those of other major cultures is essential For this reason the volume concludes with chapters on ethics and war in the Islamic Chinese and Indian traditions with the aim of integrating reflection on these approaches into the broad consideration of military ethics provided by this volume

Incorporating Indigenous Rights in the International Regime on Biodiversity Protection Federica Cittadino,2019-08-12 In Incorporating Indigenous Rights in the International Regime on Biodiversity Protection Federica Cittadino convincingly interprets the Convention on Biological Diversity CBD and its related instruments in light of indigenous rights and the principle of self determination Cittadino s harmonisation of these formally separated regimes serves at least two main purposes First it ensures respect for the human rights framework that protects indigenous rights whilst implementing the biodiversity regime Second harmonisation allows for the full operationalisation of the indigenous related provisions of the CBD framework that concern traditional knowledge genetic resources and protected areas Federica Cittadino successfully demonstrates that the CBD may allow for the protection of indigenous rights in ways that are more advanced than under current human rights law

Essentials of Global Community Health Jaime Gofin,Rosa Gofin,2010-07-14 **Humanitarian Intervention** Aidan Hehir,2013-04-02 A broad ranging introduction to the theory practice and politics of humanitarian intervention in the contemporary world Recent events in Libya and Syria have propelled humanitarian intervention to the top of the international political agenda This book provides the definitive introduction to the key issues and theories surrounding this important and popular area of study New to this Edition Fully updated and includes a new chapter on Libya and the Arab Spring Chapters on theory modernised to reflect changes in scholarship

Non-Governmental Organisations in International Law Anna-Karin Lindblom,2005 Even when governments have no democratic basis they are regarded as the sole representatives of their populations on the international plane and take important decisions on their behalf It is therefore important that other voices can be heard in international fora alongside governments NGOs have an increasingly important legal and political role and use several different avenues for their work such as lodging cases before international courts and other bodies and participating in international meetings and conferences This book explores these possibilities for the participation of NGOs in international law

, **The Ethics of Internet Research** Heidi A. McKee,James E. Porter,2009 Drawing from interviews with Internet researchers from across the globe who work in diverse disciplines and in a wide array

of online venues this book examines ethical issues and questions that Internet researchers may encounter throughout the research process Although the ethics of Internet research are complex the aim of the book is to provide a rhetorical case based process to aid researchers in ethical decision making In doing so the book provides Internet researchers with useful resources and heuristics for engaging in ethical practices interactions and problem solving for their research *The Writers Directory*, 2013

Transnational Activism in the UN and the EU Jutta Joachim, Birgit Locher, 2008-11-04 Comparing non governmental organizations NGOs in the United Nations and the European Union across a range of different issue areas this volume examines how the choice of venue and institution affects the strategies of NGOs Despite significant differences with respect to their scope membership as well as their institutional rules the authors find that the UN and the EU have surprisingly similar effects on civil society organizations and regulate access in such a way that it significantly constrains the agency of NGOs Highlights include A comprehensive outline of the volume s main research questions situated within the existing literature on the topic Eight case studies of NGO involvement in the UN and the EU across a range of different areas including human rights the environment socio economic and security issues A theoretically grounded summary of case study findings challenging the findings of previous studies regarding the power of NGOs A discussion of the finding s implications for the broader literature as well as for studies relating to the EU and the UN in particular Transnational Activism in the UN and the EU will be of interest to students and scholars of International Relations European Studies and Global Politics Jutta Joachim is Associate Professor of Political Science at the University of Hannover Germany Birgit Locher is a Research Fellow at the Institute of Political Science at the University of T bingen Germany

Human Rights, Iranian Migrants, and State Media Shabnam Moïnipour, 2019-06-21 This book offers a detailed analysis of the Islamic Republic of Iran s approach towards human rights in the media It looks at the state owned and state controlled Islamic Republic of Iran Broadcasting IRIB employing content analysis and multimodal critical discourse analysis to explore its underlying strategies in portraying the international rights norms The book also features analysis of surveys and interviews of recent Iranian migrants to determine the extent to which the Iranian public is aware of human rights principles and their views on whether and how the international rights norms are portrayed on IRIB

The Ashgate Research Companion to International Criminal Law Yvonne McDermott, 2016-03-23 International criminal law is at a crucial point in its history and development and the time is right for practitioners academics and students to take stock of the lessons learnt from the past fifteen years as the international community moves towards an increasingly uni polar international criminal legal order with the International Criminal Court ICC at the helm This unique Research Companion takes a critical approach to a wide variety of theoretical practical legal and policy issues surrounding and underpinning the operation of international criminal law as applied by international criminal tribunals The book is divided into four main parts The first part analyses international crimes and modes of liability with a view to identifying areas which have been inconsistently or misguidedly interpreted overlooked to

date or are likely to be increasingly significant in future The second part examines international criminal processes and procedures and here the authors discuss issues such as victim participation and the rights of the accused The third part is a discussion of complementarity and sentencing while the final part of the book looks at international criminal justice in context The authors raise issues which are likely to provide the most significant challenges and most promising opportunities for the continuing development of this body of law As international criminal law becomes more established as a distinct discipline it becomes imperative for international criminal scholarship to provide a degree of critical analysis both of individual legal issues and of the international criminal project as a whole This book represents an important collective effort to introduce an element of legal realism or critical legal studies into the academic discourse

State Participation in International Treaty Regimes Srinivasan, 2016-04-01 Why do some states resist entering into international treaty regimes while others demonstrate eagerness to participate Although factors such as degree of pressure exerted by international actors ambiguity in the treaty language and a regime's lack of teeth enforcement and sanctioning mechanism do affect participation this book investigates whether internal domestic factors may ultimately be responsible for influencing why a state resists or joins international treaty regimes The volume draws on United Nations treaty ratification data from three different issue areas arms control environment and human rights to study the participation patterns of democracies and non democracies in international treaty regimes Incorporating two in depth case studies on the United States and China the author traces the impact of domestic institutional structure state capacity and internal social norms on state decisions to resist or participate

The Globalization of Hate Jennifer Scheppe, Mark Austin Walters, 2016-05-26 The Globalisation of Hate Internationalising Hate Crime is the first book to examine the impact of globalisation on our understanding of hate speech and hate crime Bringing together internationally acclaimed scholars with researchers policy makers and practitioners from across the world it critically scrutinises the concept of hate crime as a global phenomenon seeking to examine whether hate crime can or should be conceptualised within an international framework and if so how this might be achieved Beginning with the global dynamics of hate the contributors analyse whether hate crime can be defined globally whether universal principles can be applied to the phenomenon how hatred is spread and how it impacts upon our global society The middle portion of the book moves beyond the broader questions of globalisation to jurisdictional examples of how globalisation impacts upon our understanding of and also our responses to hate crime The chapters explore in greater detail what is happening around the world and how the international concepts of hate crime are being operationalised locally drawing out the themes of globalisation and internationalisation that are relevant to hate crime as evidenced by a number of jurisdictions from Europe the US Asia and Africa The final part of the book concludes with an examination of the different ways in which hate speech and hate crime is being combatted globally International law internet regulation and the use of restorative practices are evaluated as methods of addressing hate based conflict with the discussions drawn from existing

frameworks as well as exploring normative standards for future international efforts Taken together these innovative and insightful contributions offer a timely investigation into the effects of hate crime offering an interdisciplinary approach to tackling what is now a global issue It will be of interest to scholars and students of criminology sociology and criminal justice as well as criminal justice practitioners police officers and policy makers 1 Test Test Test test **Legal Traditions of the World** H. Patrick Glenn, 2014 Legal Traditions of the World places national laws in the broader context of major legal traditions those of chthonic or indigenous law talmudic law civil law Islamic law common law Hindu law and Confucian law Each tradition is examined in terms of its institutions and substantive law its founding concepts and methods its attitude towards the concept of change and its teaching on relations with other traditions and peoples The concept of legal tradition is explained as non conflict in character and compatible with new and inclusive forms of logic

Online Human Rights World Community Pennsylvania Introduction

In today's digital age, the availability of Online Human Rights World Community Pennsylvania books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Online Human Rights World Community Pennsylvania books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Online Human Rights World Community Pennsylvania books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Online Human Rights World Community Pennsylvania versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Online Human Rights World Community Pennsylvania books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Online Human Rights World Community Pennsylvania books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that

provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Online Human Rights World Community Pennsylvania books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Online Human Rights World Community Pennsylvania books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Online Human Rights World Community Pennsylvania books and manuals for download and embark on your journey of knowledge?
