Pearce,Richard Braden Robinson,2003 Contemporary research in strategic management with an emphasis on conceptual tools and skills created by scholars and practitioners in the field are evident throughout this 11 chapter book Pearce and Robinson s Strategic Management retains its high level of academic credibility and its market leading emphasis on Strategic Practice It continues to have strong support from longtime adopters and growing support in schools with a desire to provide straightforward treatment of strategic management with a practical systematic approach The 8th edition will continue its strategic alliance with Business Week which will be seen in cases illustration capsules and woven into the text The text and cases will include numerous Business Week short cases and a wide assortment of traditional longer strategic management cases Pearce and Robinson will continue to use a unique pedagogical model created by the authors to provide logic and structure to its treatment of strategic management which in turn makes the material more easily organized by the instructor and learned by the student      Survival Guide for Students Globe Fearon,Globe Fearon Educational Publishing,Pearson Education Canada,1997      Honour Based Crimes and the Law Mukaddes Gorar,2021-05-10 Honour based violence and abuse manifests itself in different forms and this book offers a comprehensive understanding of this phenomenon This book argues that the limits of honour crimes must be defined more widely so that they include conducts and behaviours that originate from the patriarchal notion of honour such as honour based oppression and breast ironing The book provides a critical analysis and synthesis of the law in England and Wales and in the international human rights sphere The relevant domestic legislation and cases are examined to reflect on whether

adequate protection is provided for the victims and potential victims of honour based violence and abuse Since honour based violence is a violation of human rights the relevant international human rights law is examined to illustrate the perception of such crimes in the international arena The effectiveness of any remedy for victims of honour based violence and abuse depends on its capability to change deep rooted behaviours in communities with honour based patriarchal values This book argues that the law does not provide the effective impact required in part due to patriarchal structures and that more efforts should be dedicated to changes in education It is held that there is a need for an educational programme that is especially designed to tackle violence and promote gender equality The book will be essential reading for academics researchers and policy makers working in the areas of Human Rights Law Criminal Law and Gender Studies **National Library of**
